

NORDIC ELEMENTS

BRAND PARTNERS Spring | Summer 2025

ABOUT NORDIC ELEMENTS

Helle Moyna founded Nordic Elements in London in 2008. On re-locating to Dublin in 2013 she set up Nordic Elements in the basement of her own home in Booterstown. The success and expansion of the business prompted the move to No. 38 Main St, Blackrock in 2021.

Inspired by her Danish upbringing, Helle's aesthetic is a contemporary fusion of Mid-Century Modern with a Scandinavian appreciation of quality and functional design. We have a passion for mixing old and new pieces from an extensive network of brands, manufacturers and designers, some of which Nordic Elements represent exclusively in Ireland.

Sustainability is very important to us. We don't believe in furniture that only suits a trend, or quality that doesn't last. We view our pieces as modern heirlooms and feel it's better to buy well and less.

Nordic Elements take pride in the fact that they only work with authentic, industry-recognised brands producing original designs under licence. With that comes high-quality craftsmanship and guaranteed products. The showroom displays all the fabrics, colours and finishes for each brand, giving scope to customise furniture and lighting pieces to work with your scheme.

Unlike shopping online, the experience of touching the fabrics, sitting in chairs, and comparing colour swatches in person is invaluable when making an investment in key pieces, ensuring you land on the perfect design.

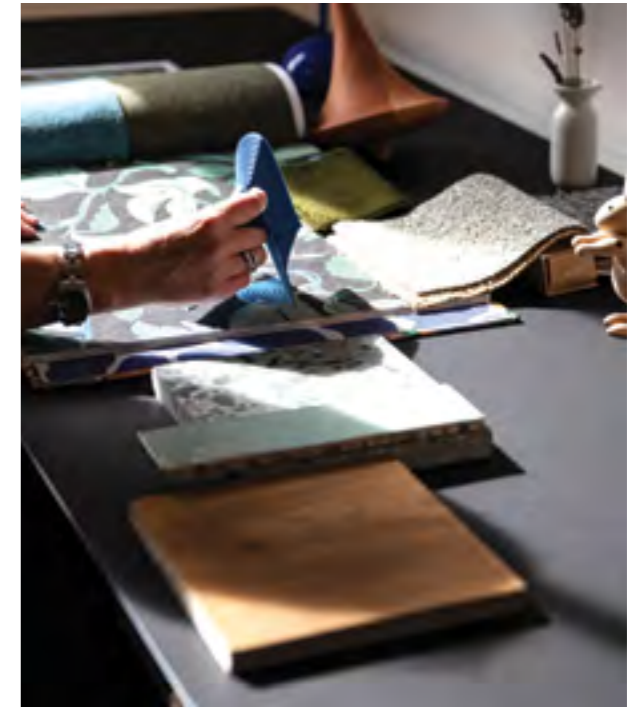

PERSONAL SHOPPING SERVICE

Personal Shopping by appointment at our Blackrock showroom, is one of our most popular services. You can meet with one of our interiors consultants who will advise and help you choose furniture, lighting and accessories for your home while you enjoy a coffee.

Our evolving brand list of over 90 names is a comprehensive collection of designers and makers of design classics, as well as contemporary innovators at the forefront of furniture, rugs, lighting and accessories design.

Our Personal Shopping team offers honest and practical advice while providing ideas and solutions for each individual client and space.

Timeless, effortless interiors start with quality pieces that combine craft, quality and style.

NE CONTRACT

NE Contract Team work closely with architects, designers and procurement managers on specification, ordering and logistics of contract furniture and lighting. We can be a creative partner from concept to execution, or just supply furniture and details to complete a scheme.

With over 90 brand partners, NE Contract is the easy "one-store" solution for contract projects large and small.

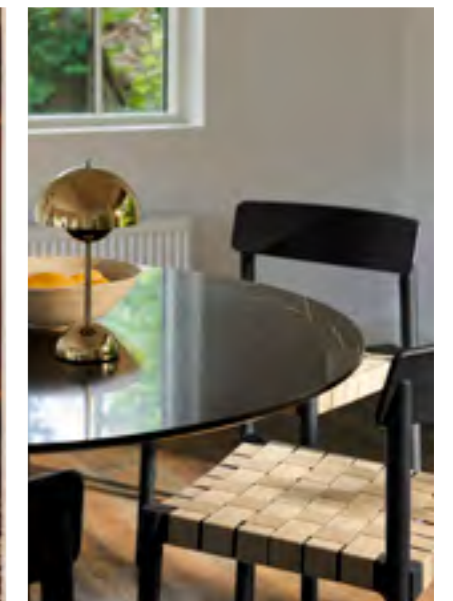

Engaging our team to manage your contract project will remove the complexity of dealing with a number of different suppliers, often in different countries and through other currencies.
