

adies Night Out

**Breast Cancer Screening Recommendations
with Susan Stafford, MD, FACR
*Director of Women's Imaging and Intervention***

Breast cancer affects an average of one in eight women sometime in their lifetime. But with the proper screening and early detection, breast cancer can successfully be treated.

Radiologist Susan Stafford, MD will discuss current screening recommendations, the latest screening and diagnostic breast imaging technologies, including 3D mammography, and the latest diagnostic breast interventions. She will also provide an overview of screening and diagnostic procedures available at the Women's Imaging Center, which is recognized by the American College of Radiology as a Breast Imaging Center of Excellence.

The evening will conclude with a Q&A session with Dr. Stafford, the Women's Imaging care team, and Nurse Navigators who are registered nurses specially trained to help patients access, plan and understand their breast care.

Thursday, October 25, 2018 from 5:30-7:30 p.m.

**Women's Imaging Center
15 Roche Brothers Way (One Washington Place building)
Suite 120 (on the 1st floor)
North Easton, MA**
