

Experience the Robot.

Join us for a hands on presentation about surgical solutions using robotics.

If you or a loved one has been diagnosed with a condition that may require surgery, Good Samaritan Medical Center is here to help you explore all of your medical options, including the most effective, least invasive surgical treatments available.

Soheil Hanjani, MD, FACOG, FACS, OBGYN, Chair, Robotics will discuss how the Good Samaritan Medical Center robotic program provides the most advanced care, right in your community.
