

No Cost Manufacturing Training Class Available through the Brockton Area Workforce Investment Board

**Unemployment is very low.
Are the people you've recently
hired prepared to contribute?**

***Give them the skills they need to be
successful.***

Beginning June 4, 2018, the Brockton Area Workforce Investment Board (BAWIB) will host a **NO COST** two-week (80 hour) manufacturing training session for local manufacturers. MassMEP's award winning Applied Manufacturing Technology Pathway Certification will be available for any manufacturing employee that has been hired by a company after December 1, 2017.

Class Dates: June 4 - June 15, 2018

Time: Monday through Friday, 8:00 am to 4:00 pm

Location: Brockton Area WIB, 34 School Street, Brockton

Cost: FREE

Competencies Acquired: Shop Math, Blueprint Reading, Metrology and Quality Inspection, Safety, and Work Readiness, Lean Manufacturing, CNC Mill Concepts & Hands-On, CNC Lathe Concepts & Hands-On, and Intro to Programming and GD&T

Students will sit for MACWIC Level 1 and Level 2 Certification testing to validate competency acquisition. *Companies must pre-register employees and commit to two full weeks of training.*
