SAINTS CAFÉ MENU

Every child deserves™ a healthy start.

Our lunch menus are carefully selected to provide healthy variety, balance, and flavor.

Our sauces and dressings are homemade and contain no high fructose corn syrup, preservatives, or additives.

The menu includes carefully sourced ingredients such as certified organic chicken, 100% natural beef, select meats without added nitrates or nitrites, and recipes designed to minimize the use of seed oils whenever feasible.

For our sandwiches, we proudly utilize locally produced artisanal breads with no preservatives.

Each meal is served à la carte and includes packaged utensils, napkins, and condiments. All are individually packaged and labeled with student name and grade.
