

# SAINTS SHUTTERBUG PROGRAM

We are a Crean Lutheran High School sanctioned group of students, parents, and school supporters who have a talent and passion for still photography. The Shutterbugs chronicle, promote and archive Athletics, Visual and Performing Arts, Academics, Missions, and other school events.

We use our talents to glorify God and to uplift and support Crean Lutheran students, athletes, and performers in their endeavors by creating an archival record of their accomplishments.

## SHUTTERBUG WELCOME DINNER
