1 Samuel 17:3-11

Message Bible and The Modern English Translation

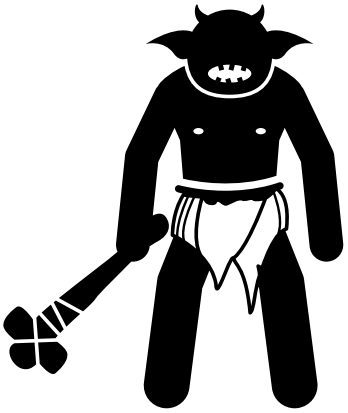

3 Now the Philistines were standing at the base of the mountain on the one side, and Israel was standing at the base of the mountain on the other side, and the valley was between them.

4-7 A giant nearly ten feet tall stepped out from the Philistine line into the open, Goliath from Gath. He had a bronze helmet on his head and was dressed in armor—126 pounds of it! He wore bronze shin guards and carried a bronze sword. His spear was like a fence rail—the spear tip alone weighed over fifteen pounds. His shield-bearer walked ahead of him.

8-10 Goliath stood there and called out to the Israelite troops, "Why bother using your whole army? Am I not Philistine enough for you? And you're all committed to Saul, aren't you? So pick your best fighter and pit him against me. If he gets the upper hand and kills me, the Philistines will all become your slaves. But if I get the upper hand and kill him, you'll all become our slaves and serve us. I challenge the troops of Israel this day. Give me a man. Let us fight it out together!"

11 When Saul and his troops heard the Philistine's challenge, they were terrified and lost all hope.

Sermon Notes

Goliath Must Fall

Saul and the people of Israel faced a dilemma that dismayed and made them greatly afraid. Goliath the Philistine champion had challenged them to a fight. He wanted Saul and Israel to pick one person to fight against him. If the Israelite fighter defeated him then the Philistine people would become their slaves but if Goliath prevailed enslavement would be Israel's lot.

The stakes were high, and odds were long. Goliath was not only an excellent fighter, but he was also a giant. He was nearly ten feet tall, he wore a helmet and armer on his chest, and legs made of heavy bronze. Weighing 15 pounds his heavy and thick spear was tipped with iron. Goliath was formidable in every way even his armor bearer induced fear as he walked ahead of the giant carrying a shield.

The dilemma of Saul and the Israelites was simple. Was there someone with the courage, confidence, and competency to face the giant? For they had no choice Goliath must fall.

The General Confession

Almighty God, Father of our Lord Jesus Christ, Maker of all things, Judge of all men, we acknowledge and bewail our manifold sins and wickedness which we from time to time most grievously have committed by thought, word and deed against Your Divine Majesty, provoking most justly Your wrath and indignation against us. We do earnestly repent and are heartily sorry for these our misdoings; the remembrance of them is grievous unto us. Have mercy upon us, have mercy upon us, most merciful Father for your Son our Lord Jesus Christ's sake; forgive us all that is past and grant that we may ever hereafter serve and please You in the newness of life, to the honor and glory of Your Name, through Jesus Christ our Lord. Amen.
