

The CMC club (Campus Ministry Club) will be kicking off the first meeting of the year next Friday 10/12/18. This is our third year of the club, and I hope everyone's had as much fun with it as I have. I'm calling the event for the meeting "New and Improved Giant Angry Birds" because I spent a lot of time rebuilding the giant sling shot to improve the game. We tried it out the other day and it could shoot a soccer ball across the gym and hit the back wall. I'll have a raffle for the kids, and the topic of the talk is "Tom Brady, Batman, Christmas presents, and Hershey's Syrup"...and I promise it relates to God. Please RSVP so I know if you're son or daughter is able to come, that way we can plan around how many we will have.

Thanks,
Jay Hamel
