SPEAKERS

Artie Boyle

Arthur "Artie" Boyle he's been married to his high school sweetheart, Judy, for 45 years. They have 13 wonderful children.

Perhaps most telling of his character, though, is that he is a man of deep faith - a practicing, devout Catholic.

In the year 1999 Artie was diagnosed with Kidney Cancer that spread to his lungs. The doctors gave him less than 5% chance for survival. It was in Medjugorje that Artie believes he was healed by Jesus through the intercession of Mary and by way of the sacrament of Reconciliation and the power of Forgiveness.

Rev. Vin Daily

Rev Vincent Daily grew up in Belmont, Ma. He attended Saint Anselm's College and Saint John's Seminary. He was ordained in 1990. He wrote his doctoral thesis entitled, "The Lived Theology of Dorothy Day". He has served as chaplain at Cardinal Spellman High School, and pastor at Sts. Gregory, Matthew and Angela.

He is a Life long volunteer and coach with the Massachusetts Special Olympics and is a music and sports enthusiast.

Sr. Bethany Madonna

Sister Bethany Madonna entered the Sisters of Life in 2007. While attending the University of Central Florida, she had a profound encounter with the Lord, which drew her heart toward the vulnerable unborn and their mothers.

Immersed in Eucharistic prayer within a vibrant community life, their missions include caring for women who are pregnant and in crisis; accompanying college students on campus; inviting those suffering after abortion to receive the healing mercy of Jesus; intercessory prayer; retreat works; and fostering a Culture of Life through evangelization.
