Dear Parents/Guardians,

The Diocese of Fall River Catholic Schools Alliance is conducting a survey of our families that might help us to better understand the opinions of the members of our school community. We are particularly interested in your perceptions of our Schools' value and brand, what factors played into your school choice, and what programs you would like to see the Diocese of Fall River offer in the future.

We have retained the services of Maguire Associates, an education research and consulting firm based in Concord, MA, to gather and analyze these opinions through a web-based survey. The survey will be available on **Wednesday, November 28<sup>th</sup>**. You will receive an email invitation on that day with a link to access the survey. We hope you will take a few minutes to log on and share your views on the future of education through the Diocese of Fall River.

Thank you in advance for your willingness to be involved in this important project and be assured that all information gathered will be summarized, not attributed to any individuals.

All God's Blessings,

Stephen Perla
