Thank You!

ST. FRANCIS XAVIER
PRESCHOOL - GRADE 8

ELEMENTARY SCHOOL
ACUSHNET, MASSACHUSETTS

Dear Friend of St. Francis Xavier School,

It is with great excitement that St. Francis Xavier School announces our 7th Annual Spring Gala and Auction, **Imagine**. This fabulous event will take place on Saturday, March 2nd, 2019 and will once again be held at The Century House in Acushnet. The evening will be an opportunity for fun, fellowship and fundraising. The monies raised during the event will help us to **imagine our future** as we continue to provide excellence in all capacities here at St. Francis.

St. Francis Xavier School has provided quality education since 1922. Many St. Francis Xavier graduates are respected leaders in the community who have made significant impacts and have contributed greatly to our area. The support of businesses like yours has been critical to the success, growth and stability of St. Francis Xavier School. If you are a repeat sponsor or donor of this annual event, we thank you for demonstrating your continued support of our parish school. If you have not been able to donate in the past, we thank you for your consideration in supporting us in our fundraising efforts. As always, these efforts are focused primarily on keeping tuition affordable for our families. Additional funds raised are utilized to enhance our educational programs, as well as to address the increasing needs for financial assistance.

Last year through the generous support of the community, our parish, and our school families, we were able to raise over \$30,000 to contribute to the general operating budget of the school. Our **Call of the Heart Fund** was also continued for a sixth year, generating an additional \$11,500. This exciting addition to our fundraising efforts has a direct impact on our school and has allowed us to make specific school improvements. Through the generosity of our sponsors and donors over the past few years, we have been able to install a brand new preschool playground, finance an updated Reading series for Kindergarten through Grade 5, and purchase 30 chrome books, and remodel our former Computer Lab to a STEM Learning Lab. This year, we imagine a new playground for our older students, as well as a basketball court!

We are confident that our fundraising success will continue this year, as we raise the funds necessary to lead us in a positive direction, providing an exceptional educational experience for our students. There are a variety of ways to show your support in our efforts towards excellence. Please take the time to carefully review the backside of this letter, which outlines the levels of sponsorship that we are seeking. Your business advertisement and presence at the event will signify your vote of confidence, support and generosity towards our school and its mission. If a sponsorship level is not possible for you at this time, perhaps you would consider donating a creative auction item or raffle opportunity. Anything that you are able to donate is greatly appreciated, and will be utilized for this great and worthy cause. We are working diligently to gain commitments from our sponsors and donors. It would be most appreciated if you would notify us of your intent to contribute to our fundraiser **as soon as possible**. We certainly appreciate your consideration in supporting our event.

We look forward to hearing how you can help.

Sincerely, Mrs. Michelle Russo

Principal
