

The Bishop Stang Theatre Company

Dear Parent,

The Bishop Stang Theatre Company will be presenting the classic comedy *Arsenic and Old Lace* by Joseph Kesserling for its fall show. The performance dates are Friday, November 15 and Saturday, November 16. There are roles for five children in the play, who will play children who come trick or treating and are involved in a scavenger hunt. These are speaking roles.

You will find the rehearsal schedule on the following page. All rehearsals will take place at Bishop Stang High School at those times specified on the rehearsal schedule.

I will be auditioning for these roles on Wednesday, September 18th at Bishop Stang High School from 3:30-4:00 pm. Come in through the main entrance and you and your child will be brought to the audition space. The audition will consist of a brief interview during which time I will see how well your child can take and follow direction and deliver lines.

Before you allow your child to audition, please look carefully at the time commitment required for this play. If you and your child are able to make this commitment, please email Deacon Maurice Ouellette at Bishop Stang High School (mouellette@bishopstang.org) that your child will be auditioning.

Sincerely yours,

Deacon Maurice Ouellette
