Dear Members and Friends of Washington Park United Methodist Church,

I want to share with you that Bishop Karen Oliveto, in consultation with the Mountain Sky Cabinet, is announcing the appointment of Rev. Jamielee Demske as the Pastor of Laurel United Methodist Church and Congregational Resource Minister for the Montana East District, beginning July 1, 2022.

I know Rev. Jamielee's new appointment might come as a surprise to your congregation, and I want to assure you that I will work closely with your leadership as we engage the appointment process for the next Associate Pastor.

You will be in my prayers as you prepare to say goodbye to Rev. Jamielee, and as we engage in discernment and visioning for the future of Washington Park UMC.
