At Shepherd of the Woods, we consider the Bible as source and norm for life and the basis for our growth in faith. We believe that **ministry is faith in action**, and it is our joy to serve in Christ's name. and it is our joy to be in service to our Lord and our neighbor. We have an active community outreach and care program to offer our gifts in service and love to people in our neighborhood, throughout Jacksonville and beyond. We welcome your participation as a gift to you and from you.

We seek to KNOW Christ so that we may SHARE and SHOW Christ in our daily lives, letting HIS light shine through us and that HE may be glorified. ### NEW in 2023

In the spring of 2023, we will begin offering Alpha, an international program designed to share who Jesus was and what he can mean with those who are not connected to the faith or the Church. It will be an opportunity for anyone who is seeking greater understanding about life, God, or Christianity to attend and meet others who are also seeking. Over twelve weeks guests develop their own beliefs and direction.

Alpha creates a space for honest and open conversations about life's biggest questions. Everyone is welcome and no questions are off limits. Alpha is by the Church, for the Church, and through the Church, but it is run worldwide in many settings—homes, cafés, restaurants, prisons, and more. Just this past year, more than 300 churches have run Alpha, sharing the hope of Jesus with more than 16,000 people!

Is there someone you know who you would invite to this program? Perhaps you are seeking a greater understanding and a connection? We encourage you to pray about this new (to us) and innovative way to reach others and further the mission and ministry of the Church. Perhaps you would like to assist – in addition to inviting others, you can share your time and gifts by attending the 12-week program as a helper or in preparing a meal one or more weeks.

Stay tuned for more information including dates and opportunities to serve or participate.
