

## June

Halfway through the year is the opportune time to review your plans.

01

### Tidy Up

Complete action plans from the first half of the year and prep for the last six months.

02

### LNR Review

Evaluate LNR performance to prepare for RFP season.

03

### Action Steps

Re-evaluate action steps that did not perform well to better achieve goals (move or discard them if needed).

04

### Property Focus

Develop a focus for your property. Where do your opportunities lie that your co-workers can assist? (i.e. create a better arrival and departure experience for groups).
