

## A Note From Andrew

# TOGETHER WE ROSE!

## Leadership Conference 2022

**Wow! I am still exhausted and exhilarated after our recent Leadership Conference in Virginia Beach. This conference marked the first time since May 2019 that the NHG team was able to gather in one location. More importantly, it was the first time that many of our hotel leaders had met the Williamsburg team. It was WONDERFUL.**

**Andrew Carey**  
Chief Executive Officer

**In addition to reconnecting with old friends and meeting new ones, let's take a quick look at what we learned.**

**Randy Ross** gave us the tools and tricks to help us be the best and most productive versions of ourselves. In addition to his presentation, he gave us two resources to help us along our journey. His book and seminar provide critical tools for maintaining a strong and positive approach to life.

- **Course - Fireproof Happiness – coupon code: FHFREE**

**Williamsburg Financial** provided helpful, if not spontaneous, updates on our 401k and the critical importance of retirement saving.

**Don Pritchard, Jimmy Taylor, Michelle Pike, Anastasia Callahan, and Chrissy Wright** all provided valuable insights on hospitality, leadership, and personal growth. They alone were worth the price of admission!

**Our remarkable corporate team** gave critical and informative sessions around capital asset protection, revenue management, commercial strategy, and Aptech. These folks stand ready to answer your questions and provide thoughtful support to your operations. Please lean on them.

**Gib led an interesting and energizing session** focusing on the NHG mission statement. This work will help to center every NHG team member on a central and aligned mission. As we digest your feedback, we will be back in touch.

**Notably, Shawn Wallick** gave a highly decorated seminar on line dancing.

**Finally, Mike, Wayne, and I gave continuing reminders** about our desire for everyone at NHG to thrive. We encourage all of you to reach out to the entire NHG team when you have questions, comments, or ideas. We are here to make your lives better.
