

Sadly, it seems rare to feel appreciated as a customer in most hotels. This hotel reminded me that this should be the norm. We felt welcomed, appreciated, and like the hotel staff actually cared. We are with a sports team, and hopefully, we will get lucky enough to stay here again the next time we play in Philly.

This hotel exceeded my expectations. The front desk, breakfast staff, and housekeepers were all amazingly knowledgeable and friendly. The room was so clean it smelled like fresh air! There was “whole” milk at breakfast for my toddler, and the breakfast was yummy. I loved it here and will only book here when I am in Charlotte.

My daughter is a freshman at USCB and had a wreck. I made a last-minute reservation on the frantic drive down to Beaufort. I wasn't expecting much from a hotel as we usually stay in Airbnb. Wow! Was I impressed? The room was beautiful. The staff from the front desk, cleaning, and good area were so very friendly and helpful. You turned a horrible situation around. I will definitely stay here again.
