

START SPREADING THE JOY

HAPPY HOLIDAYS

Amidst times like these, keeping traditions alive is more important than ever. Whether watching a holiday movie, kissing under the mistletoe, or taking your family to see holiday lights, enjoy quality time together over the next few weeks with your loved ones.

Newport holiday traditions, old and new, had everyone participating with ugly sweaters, festive party games, and pajamas at the office. Whatever your traditions are, these familiar events or, in some cases, "jingles" shared by our leadership team are sure to help bring more joy into this holiday season.

Thank you for being a part of the Newport family. Your energy and persistence have driven our company to new heights in 2022, and we greatly appreciate it. May your holiday season be filled with warmth and everlasting joy. I sincerely hope you will hug your friends and family a little closer today and every day.
