

The Giving Issue

NOVEMBER NEWPORT NEWS YOUR COMPANY'S NEWSLETTER

We dedicated November's issue to showcasing the importance of giving back to our local communities. As business leaders, we can launch initiatives that improve the lives of those where we live or work. The more socially responsible we are in our communities, the more positive outcomes we leave. Everyone yearns to be purposeful.

You will learn how we annually recognize hotels that go above and beyond in volunteerism with the Spirit Award. Lizz lays out the NHG's Corporate Responsibility Policy; Andrew speaks of our recent live charity event and more at our Leadership Conference in Virginia Beach, and Laurie gives inspirational giving back information.

You are our gift, and we want to honor that by always ensuring we listen and improve. The Team Member Engagement Survey will go out on December 1st to everyone; please take the time to complete this confidential and vital survey.

On this holiday week, we are incredibly thankful. We want to express our gratitude for your generosity, willingness, and consistent efforts to ensure our company achieves excellent heights. We wish your family, friends, and you a Happy Thanksgiving!
