RAMS IN THE COMMUNITY

Field Day

Albany State Football had the opportunity to give back at Sherwood Acres Elementary School by volunteering at their Field Day back in May. Our student-athletes spent the day interacting with students, encouraging them during races and games, and helping teachers run activities throughout the event. It was a great experience to support the school community while pouring into the next generation through service and positivity.

Reading at Radium Springs

Members of the Albany State Football program, including coaches, student-athletes, and administrators, participated in Read Across America Day at Radium Springs Elementary. Our team enjoyed spending time with students, reading stories, promoting literacy, and encouraging a love for learning. It was a rewarding opportunity to make a positive impact in our community.
