There were 4 volunteers this month totaling 30 hours. Debra voiced her concerns about 7th tradition contributions by groups being down \$2586 compared to last year at this time. She believes it has to do with the transparency in reporting on the certificate of deposit that has caused groups to believe that central office is flushed with cash therefore they are not contributing as they were. It was explained again to the attendees that the certificate of deposit has been in place for many years and has been the financial savior for the central office many times over the years as a backup prudent reserve. She asked the Intergroup reps go back to their groups and report this information.

River Roundup Report,

Barbara reported that the theme has been set and is "Spirit Of The Universe" and that the logo contest entries will be voted on at the May meeting. Many positions are filled but they are still looking for a Co-chairperson, a Co treasurer and co-chairs of most other positions. The committee is on course for the timeline and things are going well.

Debra gave the report as bill had another commitment. The spring fling was a big success and had a net profit of \$529.59 for central office.
