

This comes with a very heavy heart.

I supplied the newsletter editor the wrong spreadsheet for January. It only had one group that sent 7th tradition monies to River Cities Central Office. When in fact we had received 4 donations. The groups that were not mentioned were

The Four Horsemen Group located in Lake Havasu City

The Drunken Donuts Group is also located in Lake Havasu City

And the last one was The Surrender Group located here in Bullhead City.

I am hoping these groups will forgive me for this error.

In Service,

Debra Casselman Office Manager
