

My name is Susan Pollesel… I'm an oldie but a goodie Episcopalian!
I was born and raised in a small town in Northern California. My parents along with other individuals brought the Episcopal church to our small town in the 60s. My father deeded his property to the church and my uncle built it! I was baptized, confirmed and married in it!! Our whole family was very involved; father,senior warden, mother taught Sunday school and in choir, brothers were lay readers, sister daycare, and I played the organ!

I'm married to my high school sweetheart! I have 2 children and 2 grandchildren and we moved here to be with them and enjoy family gatherings and dinners together!

My desire to be on the Vestry is to continue our traditions while infusing them with increased membership, a worship team and spirited preaching!
Get to know me! Thank you.
Kindly, Susan Pollesel
