

Lee Shubert joined St. Mark's shortly after moving back to North Carolina in 2021. Prior to that, he had been a member at Christ Church Bay Ridge for over a decade, where he had served as a Vestry member, Chair of the Buildings & Grounds Committee, and Senior Warden.

Since joining St. Mark's, he has been active in the parish - serving as Treasurer and Advisory Board member for Flyin' Lion Ministries, helping teach Sunday School occasionally, and bringing his kids to as many parish events as their schedule allows.

Should he be elected to serve, his goals would be to continue building on the progress started by the current Vestry: continuing to improve communication with the Parish as a whole about both challenges and successes; organizing our incredible volunteers who help repair & fix campus facilities into an official Buildings & Grounds Committee; and taking the next step in ensuring the Parish's financial stability by establishing a legacy endowment fund.
