

## Bring a Friend to Volunteer Event

May 26 - 30, 2025 **only**

***Please read carefully!***

Our Bring a Friend to Volunteer event is a one-time only experience *specifically designed to encourage friends, families and/or spouses to join our team of volunteers as either a Meals on Wheels or Medical Transportation Driver*. Please read this carefully and be sure to follow the steps to participate:

- Your friend must complete **this form** by **May 21, 2025**
- The *Bring a Friend to Volunteer* is during ***one week only***: May 26 - 30, 2025. Please do not bring friends, family or spouses at other times as this jeopardizes our standing with our funders – thank you for complying!
- Friends join a currently-active volunteer on their *regular* day (one day only during this week, please)
- Friends must agree to keep all client information confidential, and they must stay with the volunteer they're paired with at all times (including at the time of meal delivery or assisting transportation clients)

All prospects' names will be given to each site's staff in advance. We are unable to accept last-minute drop-ins or those who did not complete the form by the deadline. Volunteer Services will follow up with friends soon after the week's event for next steps in our onboarding process. Oh, this is gonna be fun!!!

Got questions? I'm here to help! Email [Hilary](#) or call 727-269-0717.
