Searching for our Pastor Next is of great importance for our church as we strive to live into our values to be faithful to God's word, grow spiritually, be missions-oriented, demonstrate compassion to our members and the surrounding community, and to be relevant as we relate to God-seeking people of all ages. This process is more than "finding the right man." Rather it is a matter of discerning the will of God as Pastor Next will lead our church family into a deeper relationship with God as we seek His mission for us here in our community and throughout the world.

The **Potential Senior Pastor Candidate Referral Form** is designed to receive your suggestions for a potential candidate for Emmanuel. If you believe your referral is a good fit, please provide all the information requested on the attached form and return it in a sealed envelope to a Senior Pastor Search Team member, mail it to the church office, or email it to the Team at [searchteam@emmanuelburbank.org](mailto:searchteam@emmanuelburbank.org). Team members are instructed not to discuss your referral, simply to receive it.

All referrals will be treated with confidentiality. After the Senior Pastor Search Team receives your referral, there will be no further contact with you about your referral. The reasons for this are that the work of the Search Team relating to the candidates is confidential, and that the confidentiality of potential candidates is of high importance for him, his family, and his present church.

It is important to understand that this referral is only a referral and no commitments or assurances are implied by its acceptance.

Please continue to pray for the Senior Pastor Search Team. Thank you for being a part of this process.

Blessings to you,

Your Emmanuel Senior Pastor Search Team
