

ADVANCING INTEGRATED HEALTHCARE

Improving Child Health in RI: Learn How RI Certified Community Behavioral Health Clinics (CCBHCs) & Mobile Crisis Units Support Pediatric Care

Thursday, July 2nd - 7:30 - 8:30 AM

Join us in welcoming our speakers:

- **Amy Hulberg**, Director of Medicaid Policy, State of RI, Executive Office of Health & Human Services
- **Christopher Strnad**, Assoc. Director for Community Services & Behavioral Health, State of RI, Department of Children, Youth & Families
- **Ashley Reyes**, RI CCBHC Program Manager, State of RI, Executive Office of Health & Human Services
- **Samantha Ryder**, Administrator of Program Management, RI Department of Behavioral Healthcare, Developmental Disabilities & Hospitals
- **Sarah Kelly-Palmer** LICSW, Chief of Behavioral Health, Family Services of RI (FSRI)

Learn about:

1. How RI Certified Community Behavioral Health Clinics (CCBHC) /Mobile Response & Stabilization Services (MRSS) can help in pediatric & primary care
2. Understand how pediatrics & schools' access mobile crisis unit services
3. Describe success stories of the CCBHC & mobile crisis response utilization
4. Understand how care coordination of the CCBHC may optimize partnerships & create referral pathways
