

Geriatric Education Series

Dementia Care: **Caring 4 Caregivers**

Tuesday, May 17, 2022 | 8:05-9:05 AM ET

Speakers:

Maureen Maigret, Vice Chair, RI Long Term Care Coordinating Council, **Michelle Szylin**, Interim Director, RI Office of Healthy Aging, and **Linnea Tuttle**, Chief, Health Systems Development, RI Executive Office of Health and Human Services

About:

An overwhelmed caregiver can result in premature institutionalization and increased health-care utilization, by both the patients and the caregivers.

This webinar will explore the characteristics of caregivers and who they care for, discuss caregiver stresses and challenges and provide community resources and to help mitigate caregiver burden.
