- Eye Exam for Patients with Diabetes*

*included for incentive payment

Adult Cohort 5 Performance Standards for Incentive Payment

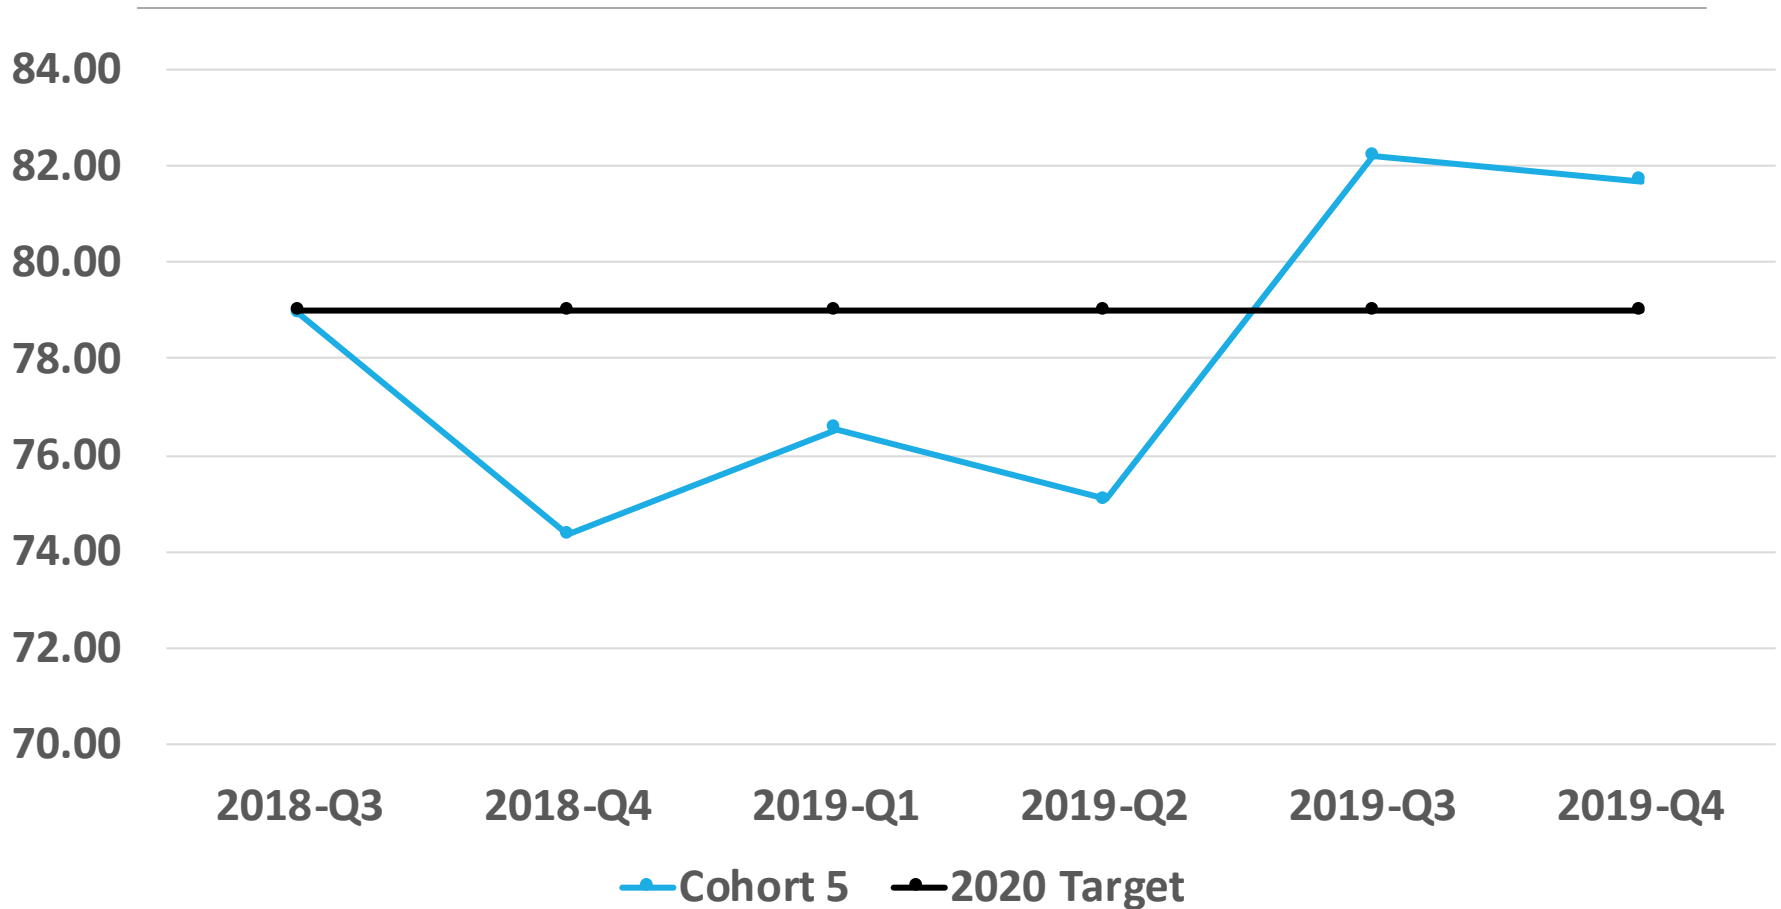

Performance Year 2 Incentive Payment:

- \$0.50 3 out of 5 clinical quality measures
- \$0.25 5 out of 5 clinical quality measures

Method 1: Met the threshold

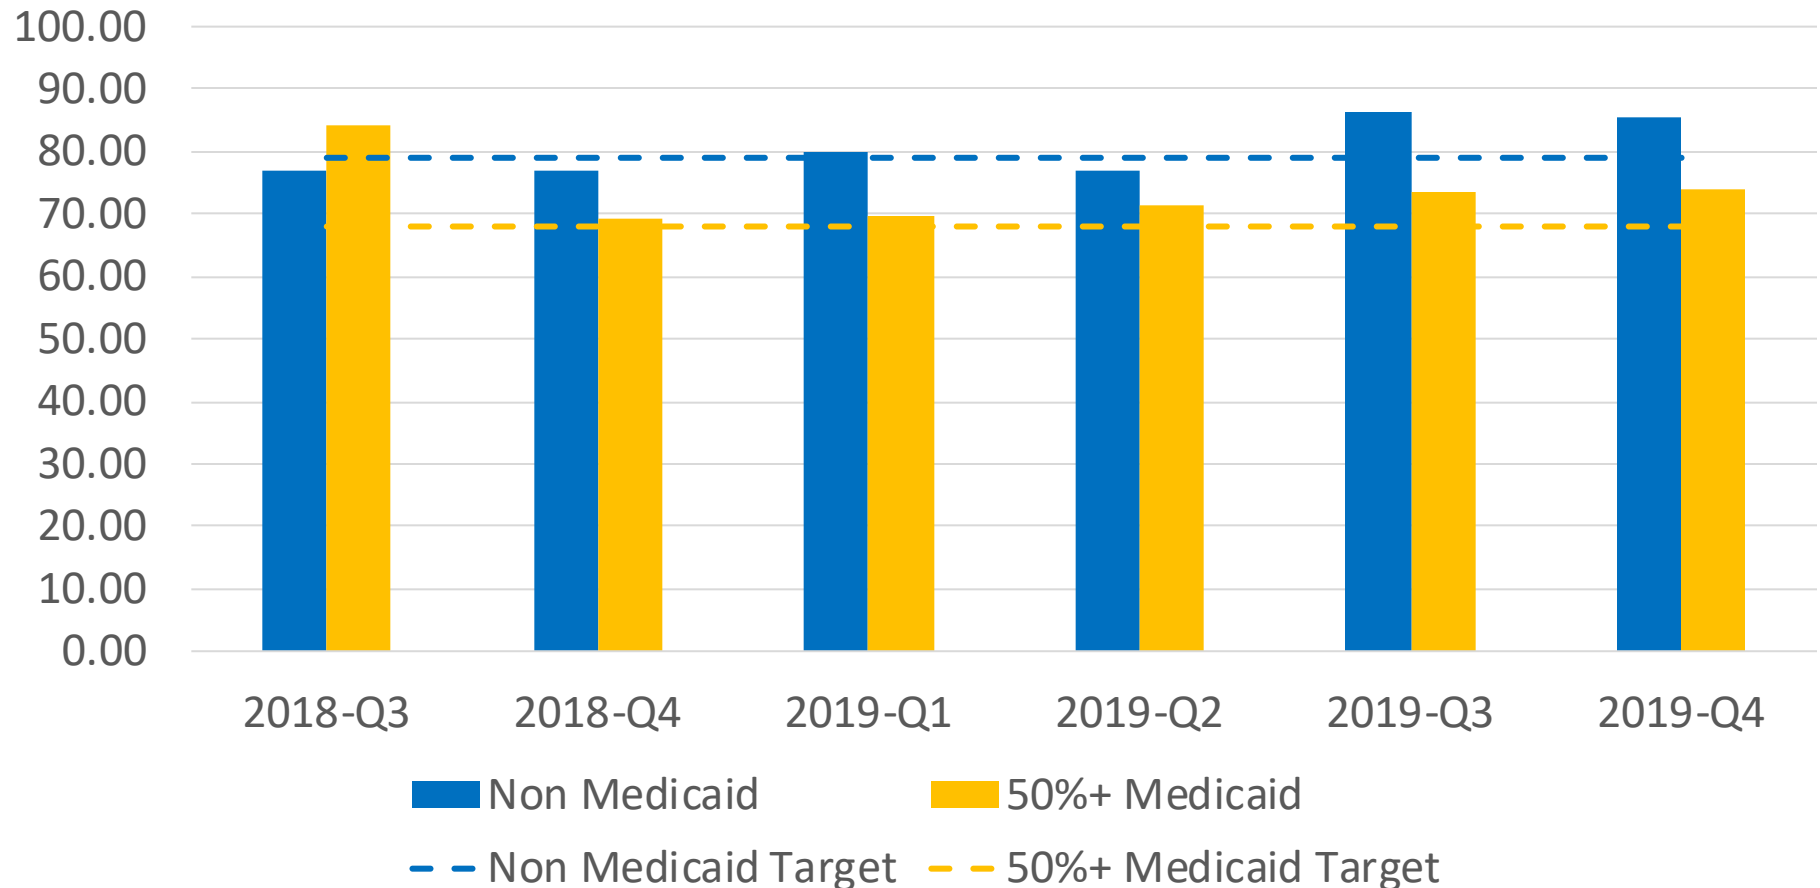

Method 2: Met through the improvement method, if difference between 2019 baseline to 2019-20 measurement rate is 5% points or greater and if improvement achieved is at least $\frac{1}{2}$ the distance between the baseline result and the 2020 threshold.

Blood Pressure Control Adult Cohort 5

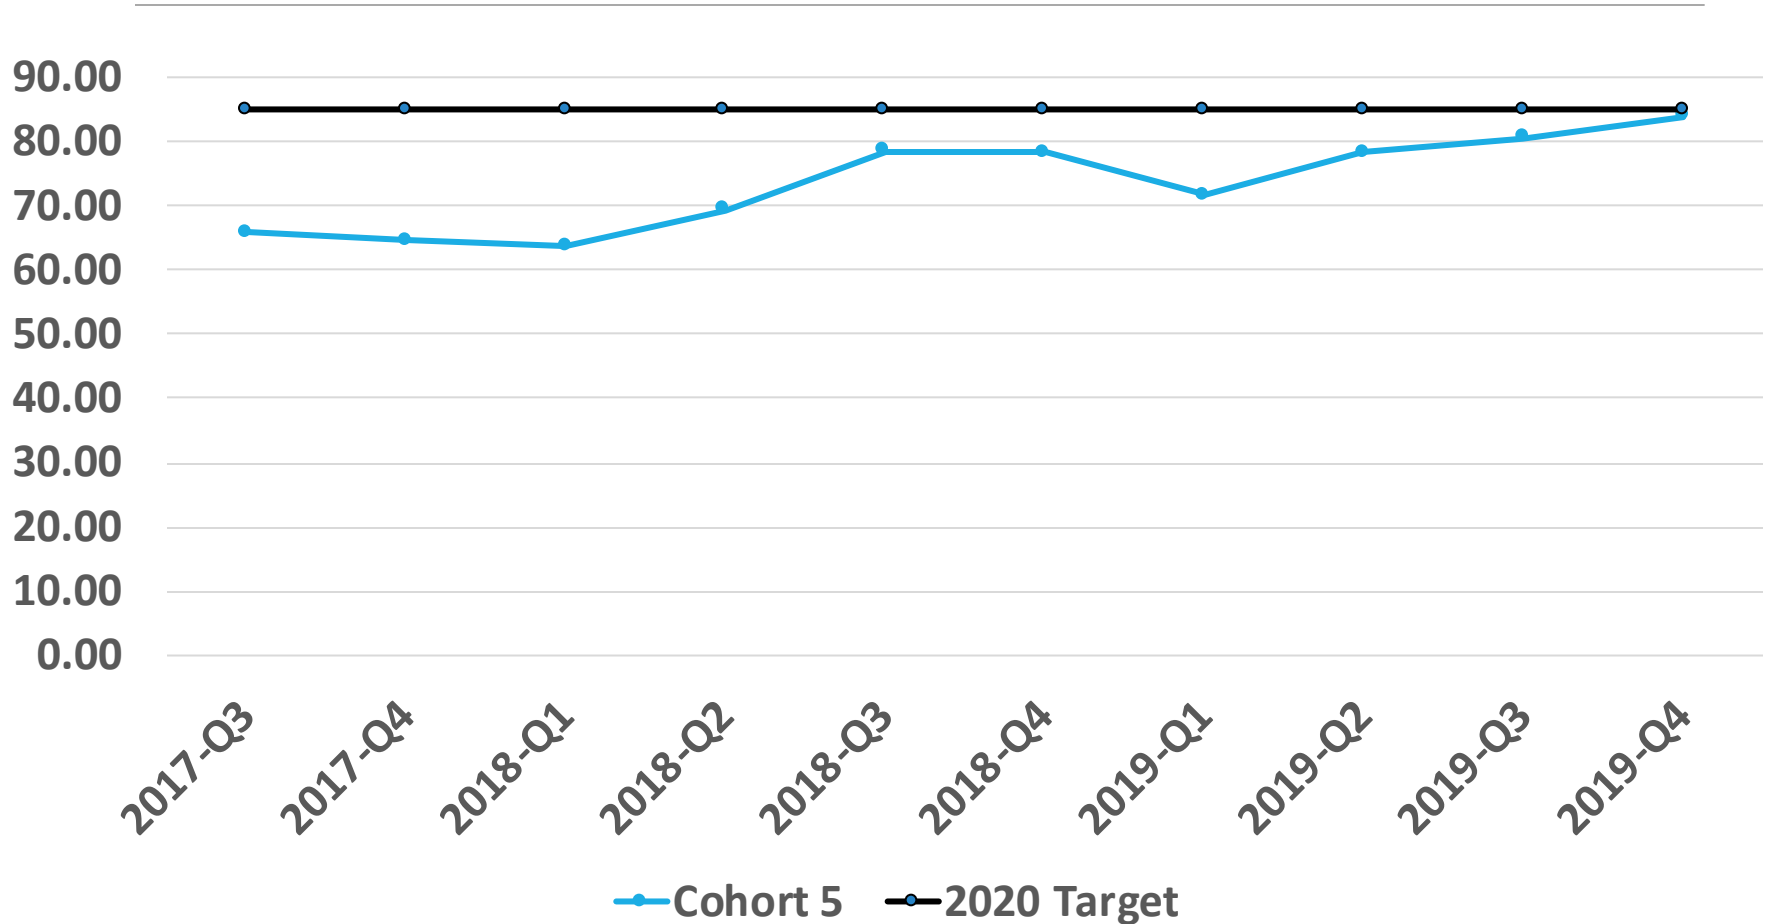

Measure specifications changed effective Q3 2018

Blood Pressure Control Medicaid vs Non-Medicaid

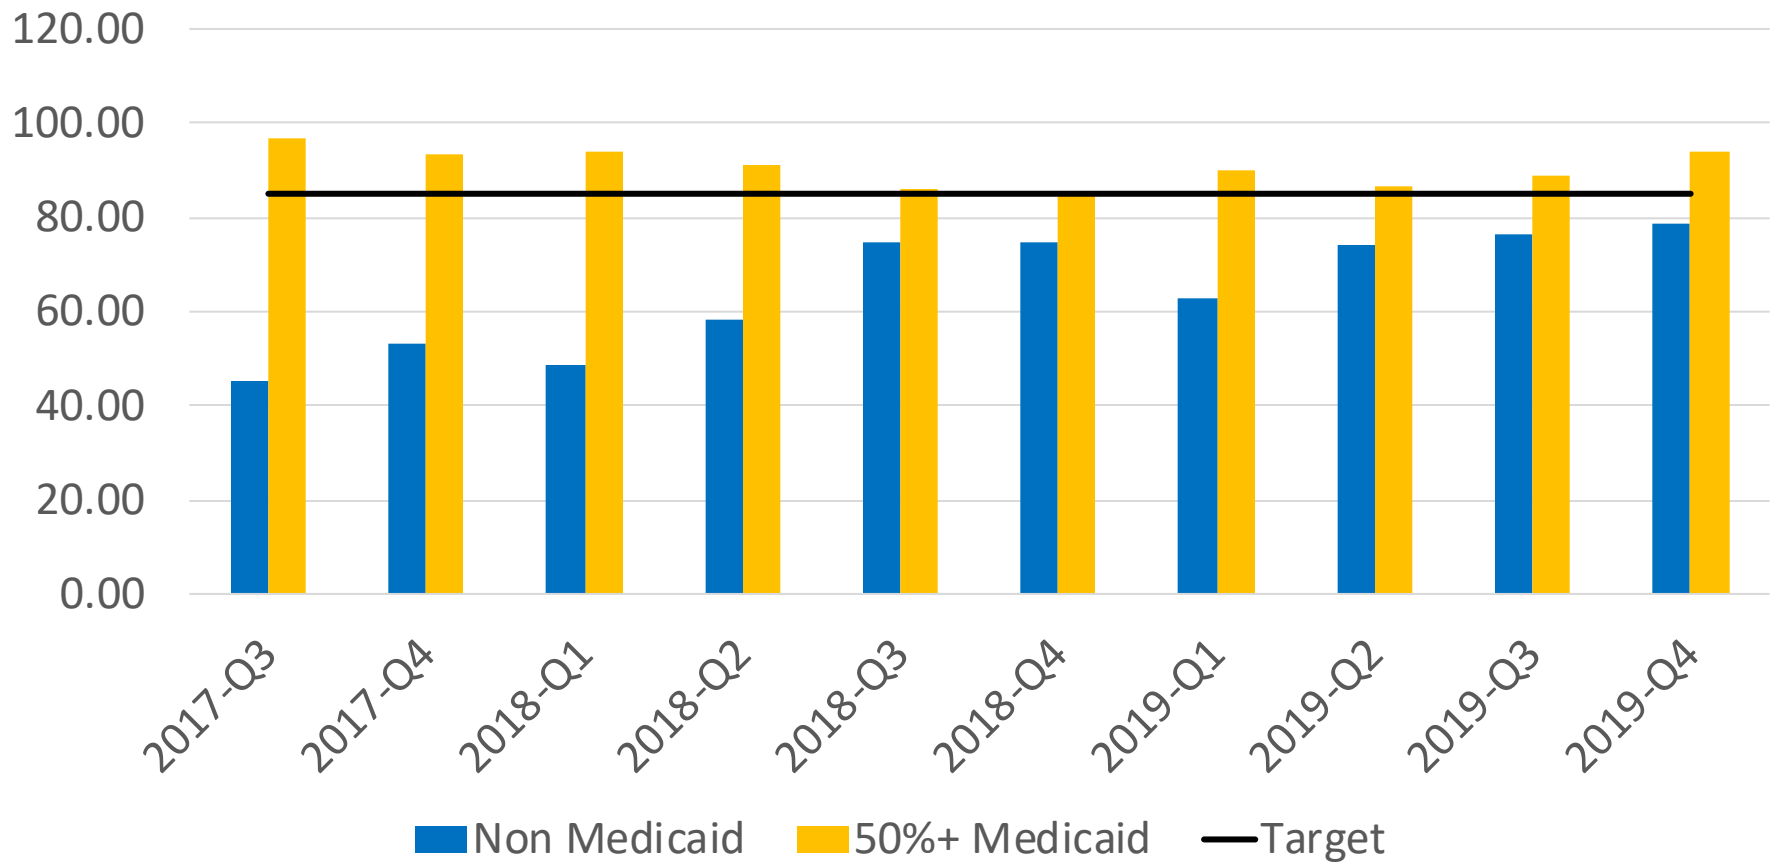

Measure specifications changed effective Q3 2018

Depression Screening and Follow Up Adult Cohort 5

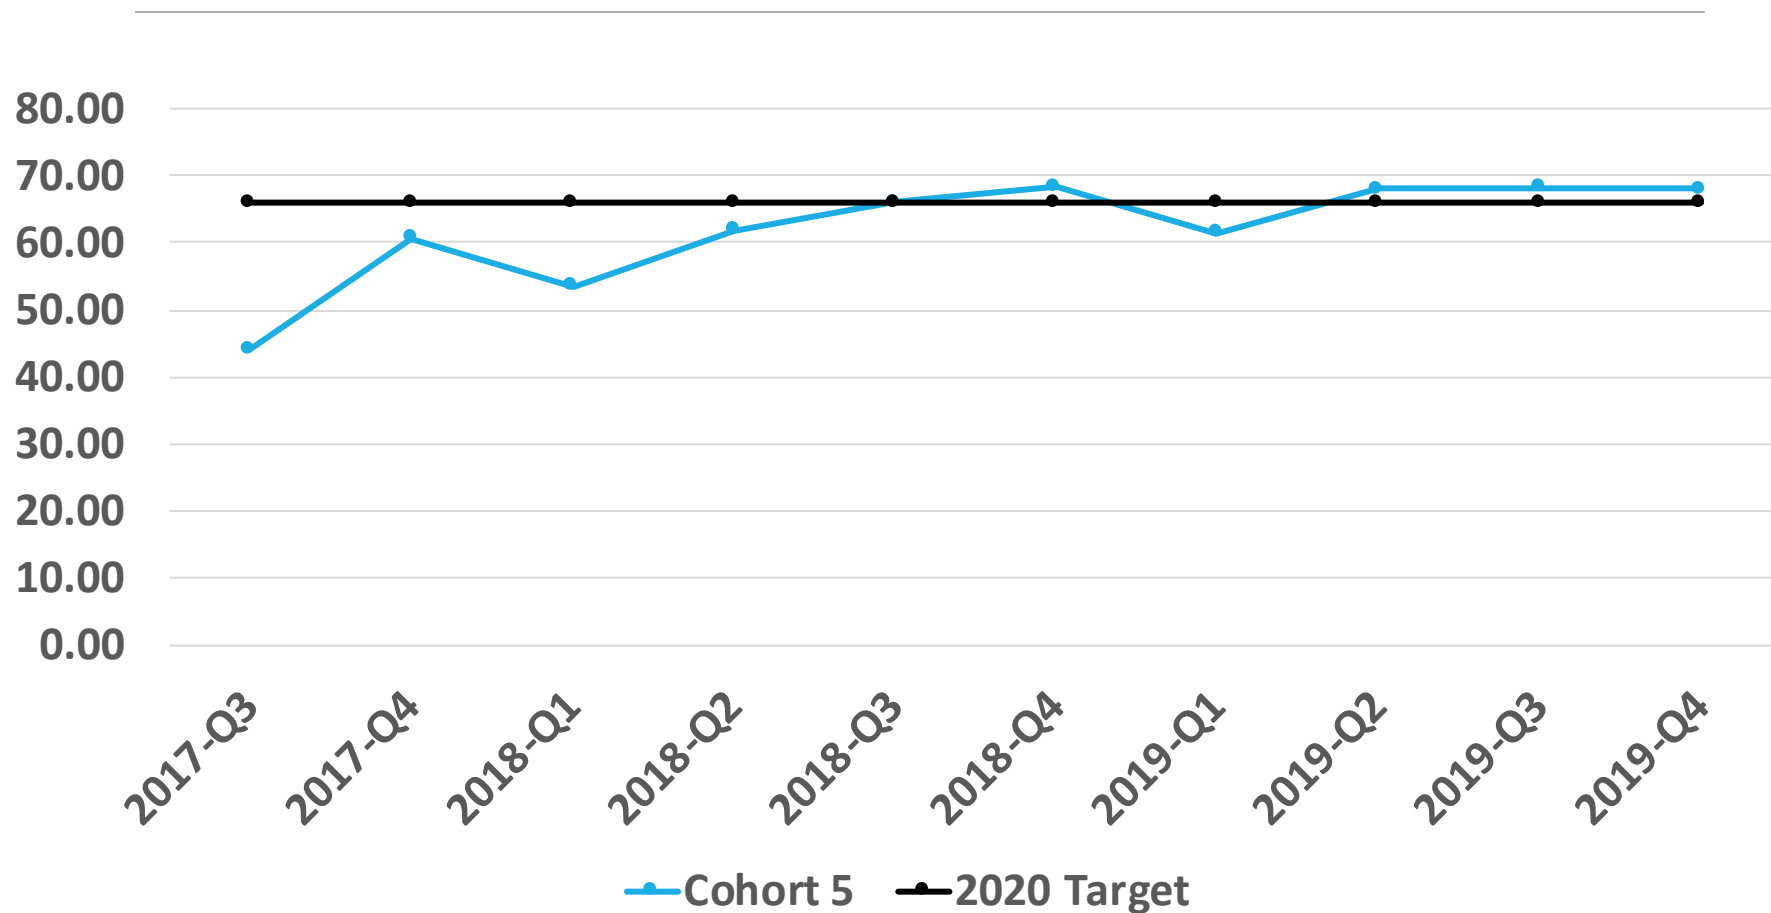

Depression Screening and Follow Up Medicaid vs Non Medicaid

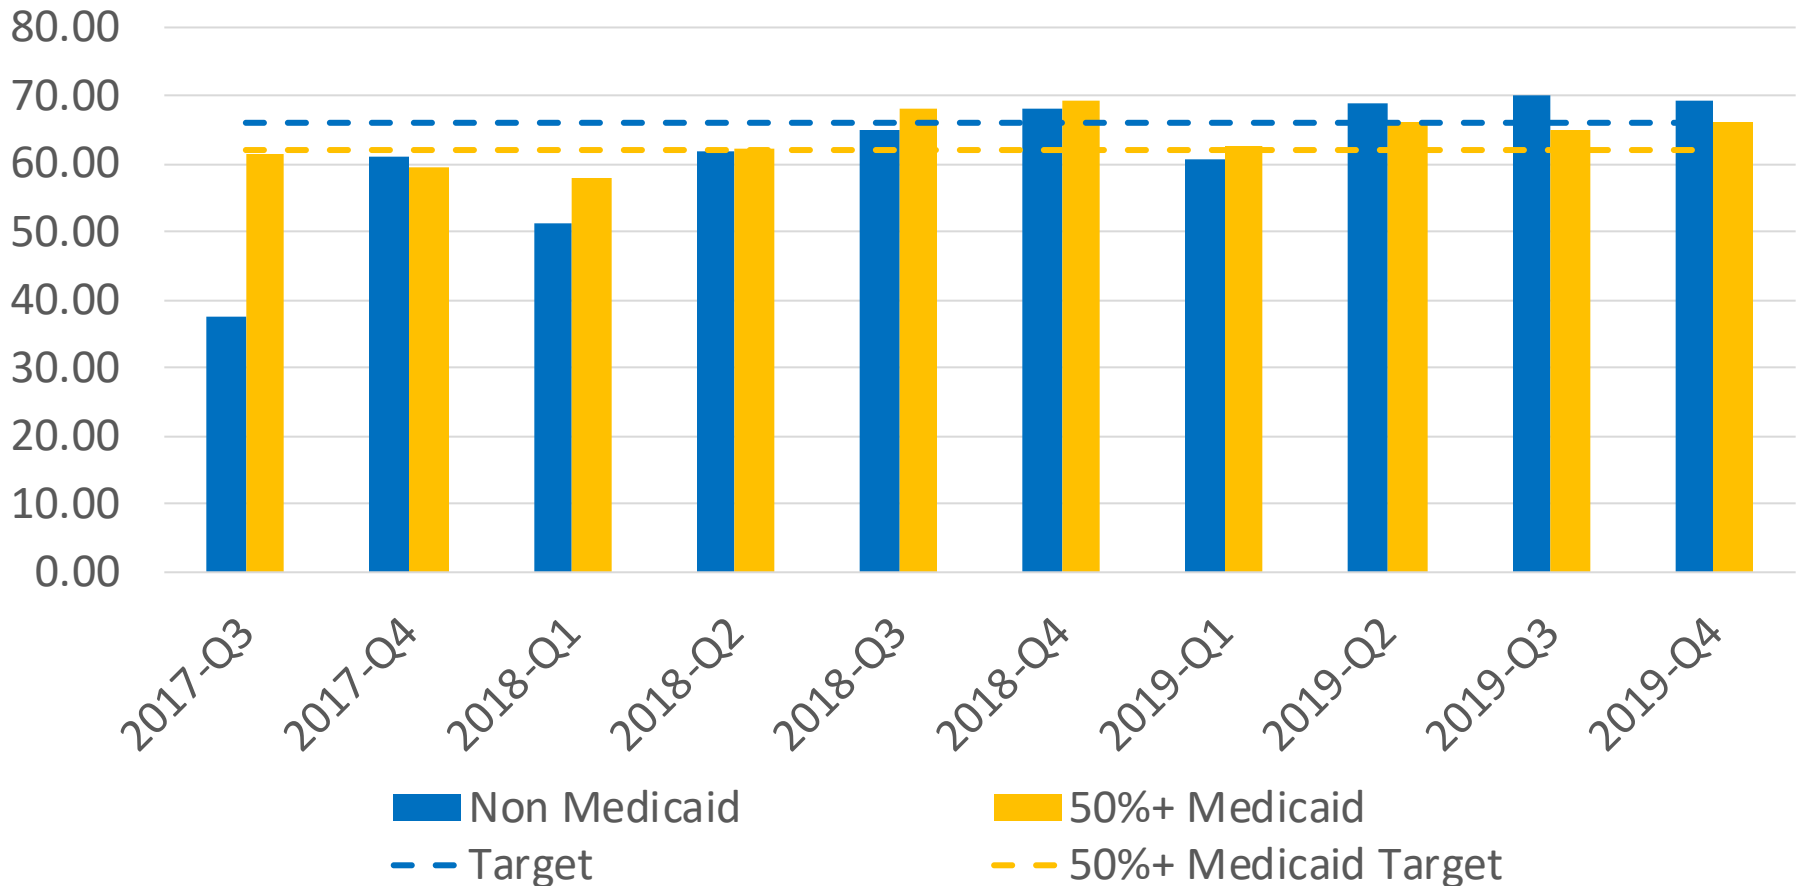

Diabetes Control

Adult Cohort 5

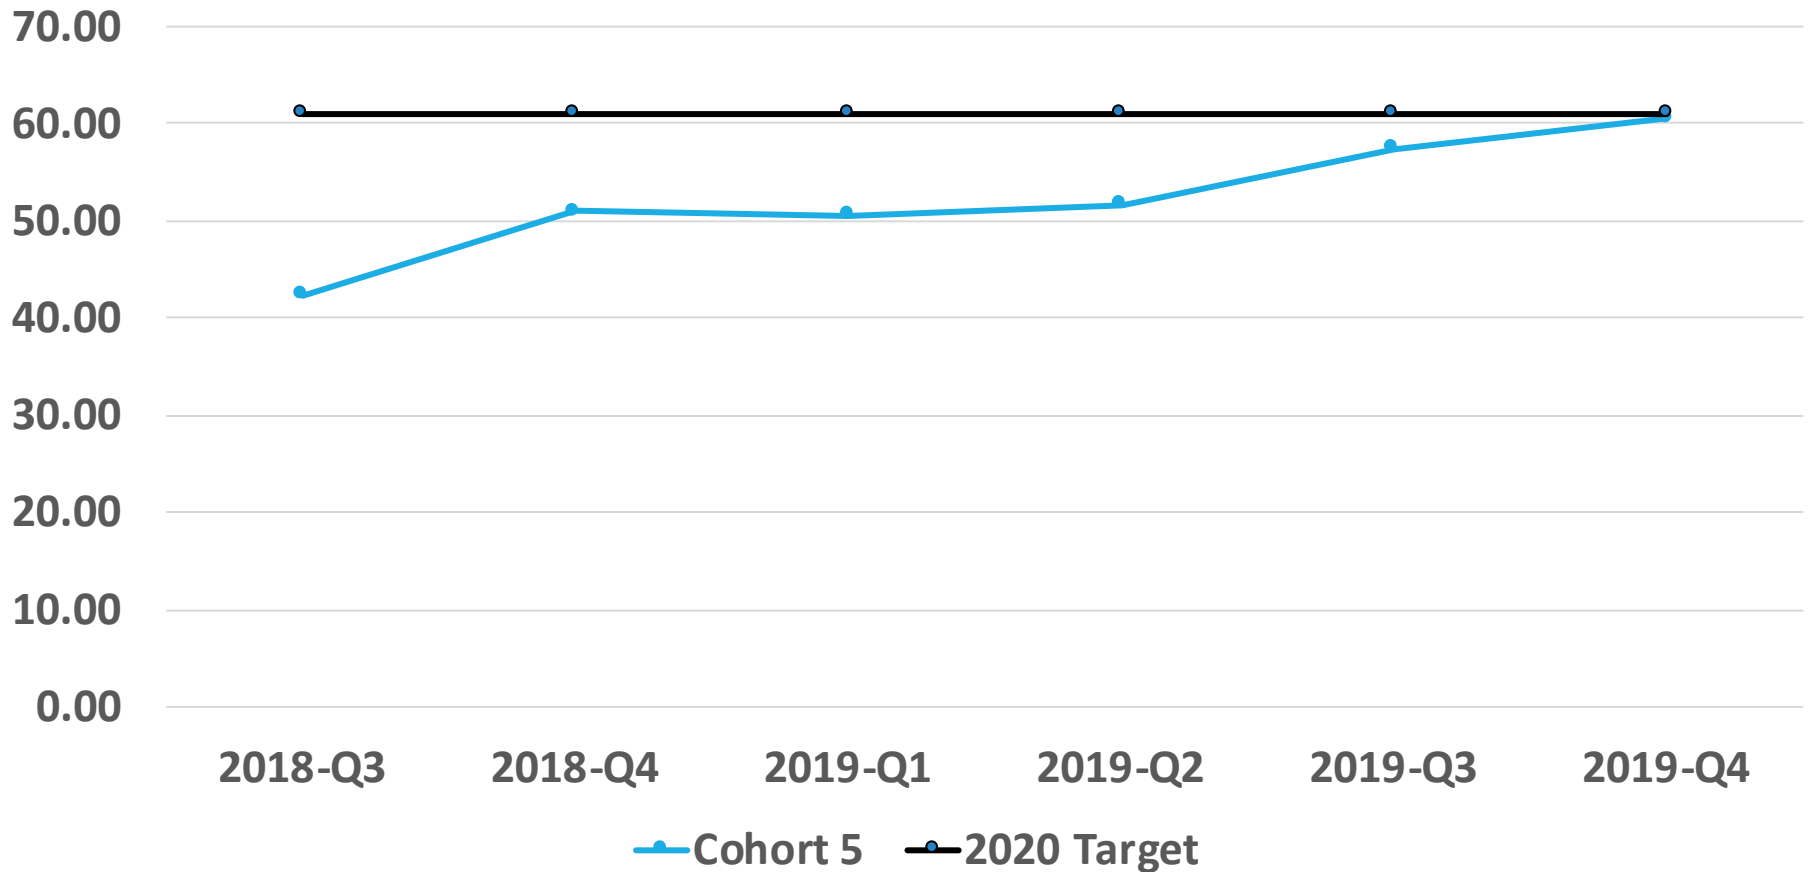

Diabetes Control

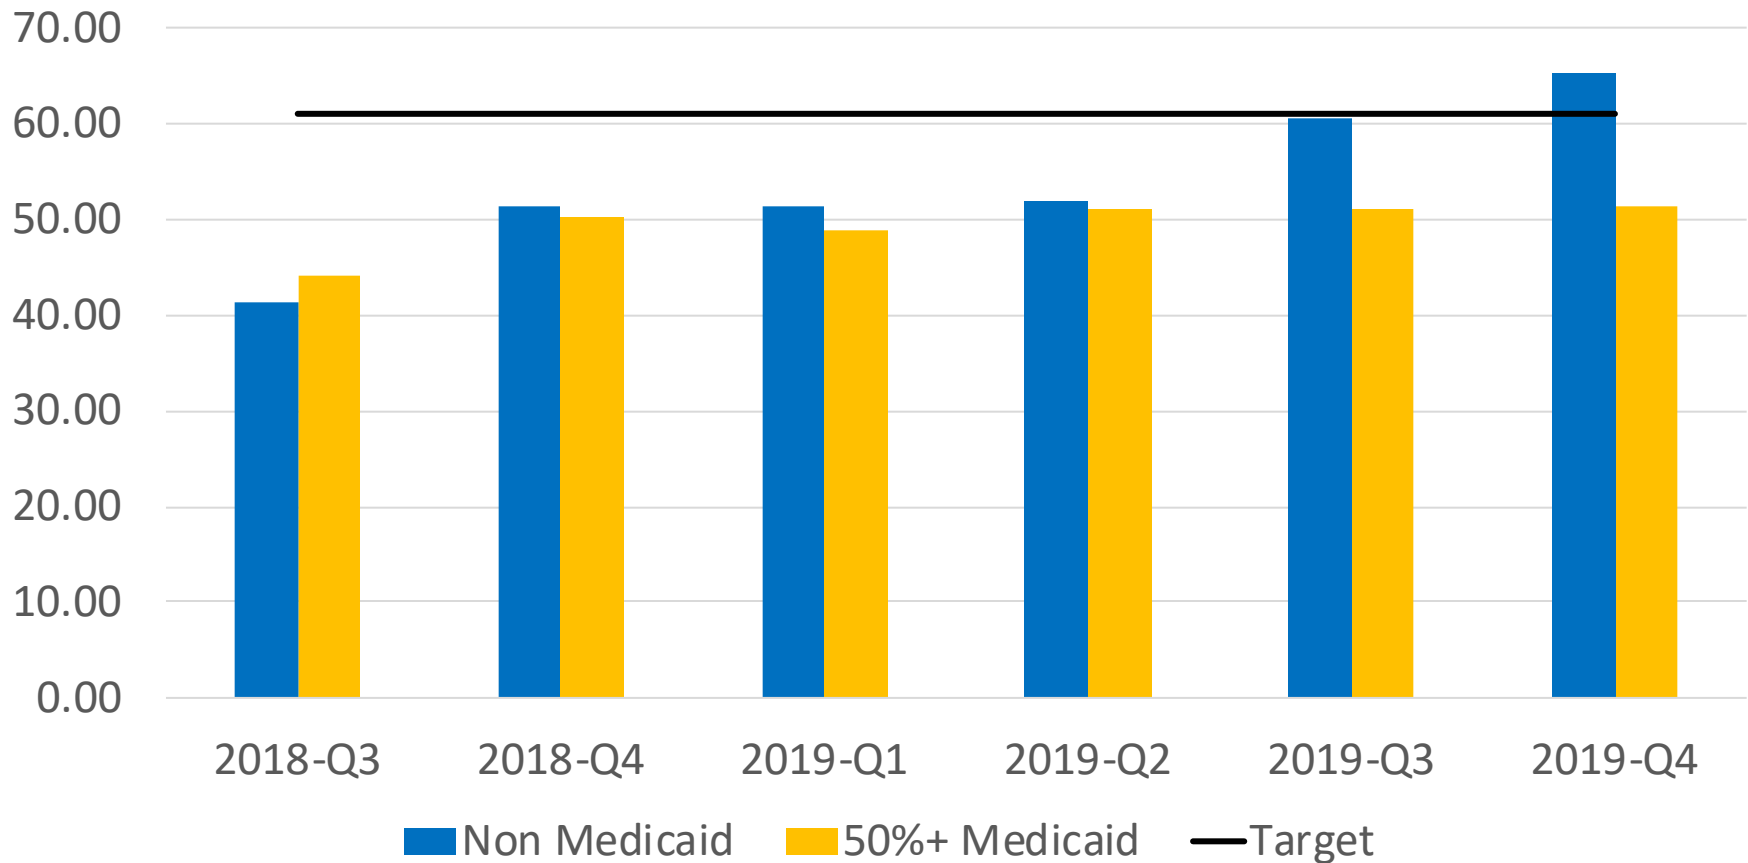

Medicaid vs Non-Medicaid

Colorectal Cancer Screening Adult Cohort 5

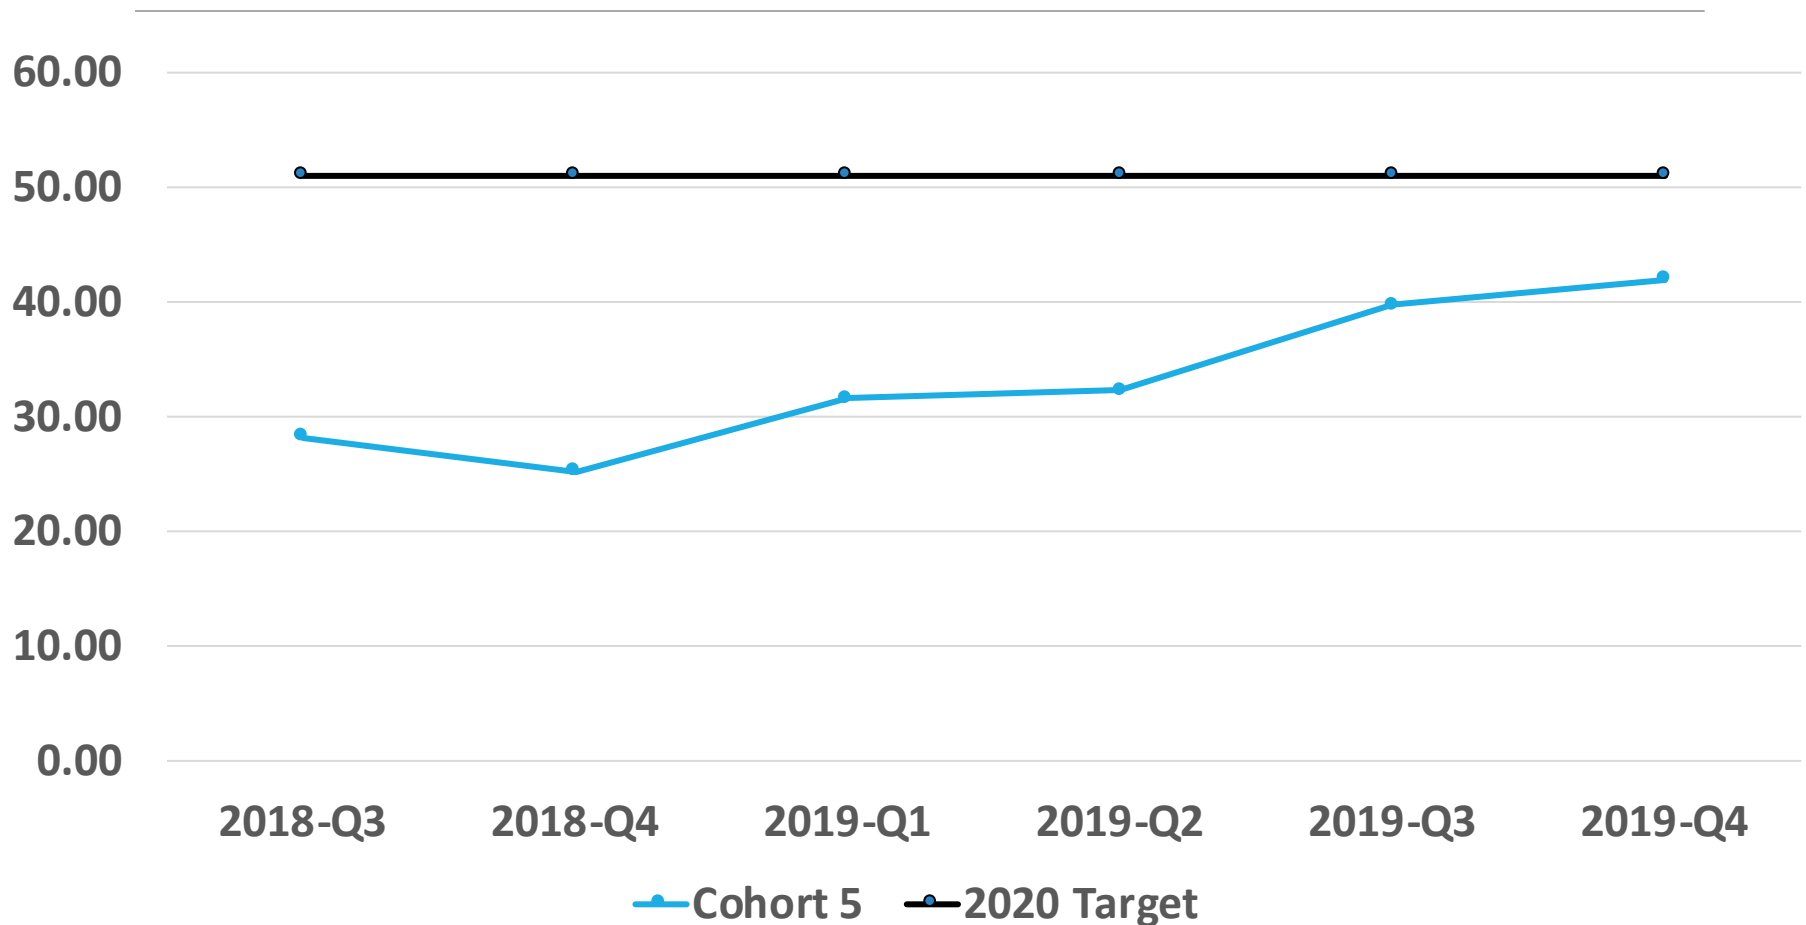

Colorectal Cancer Screening Medicaid vs Non-Medicaid

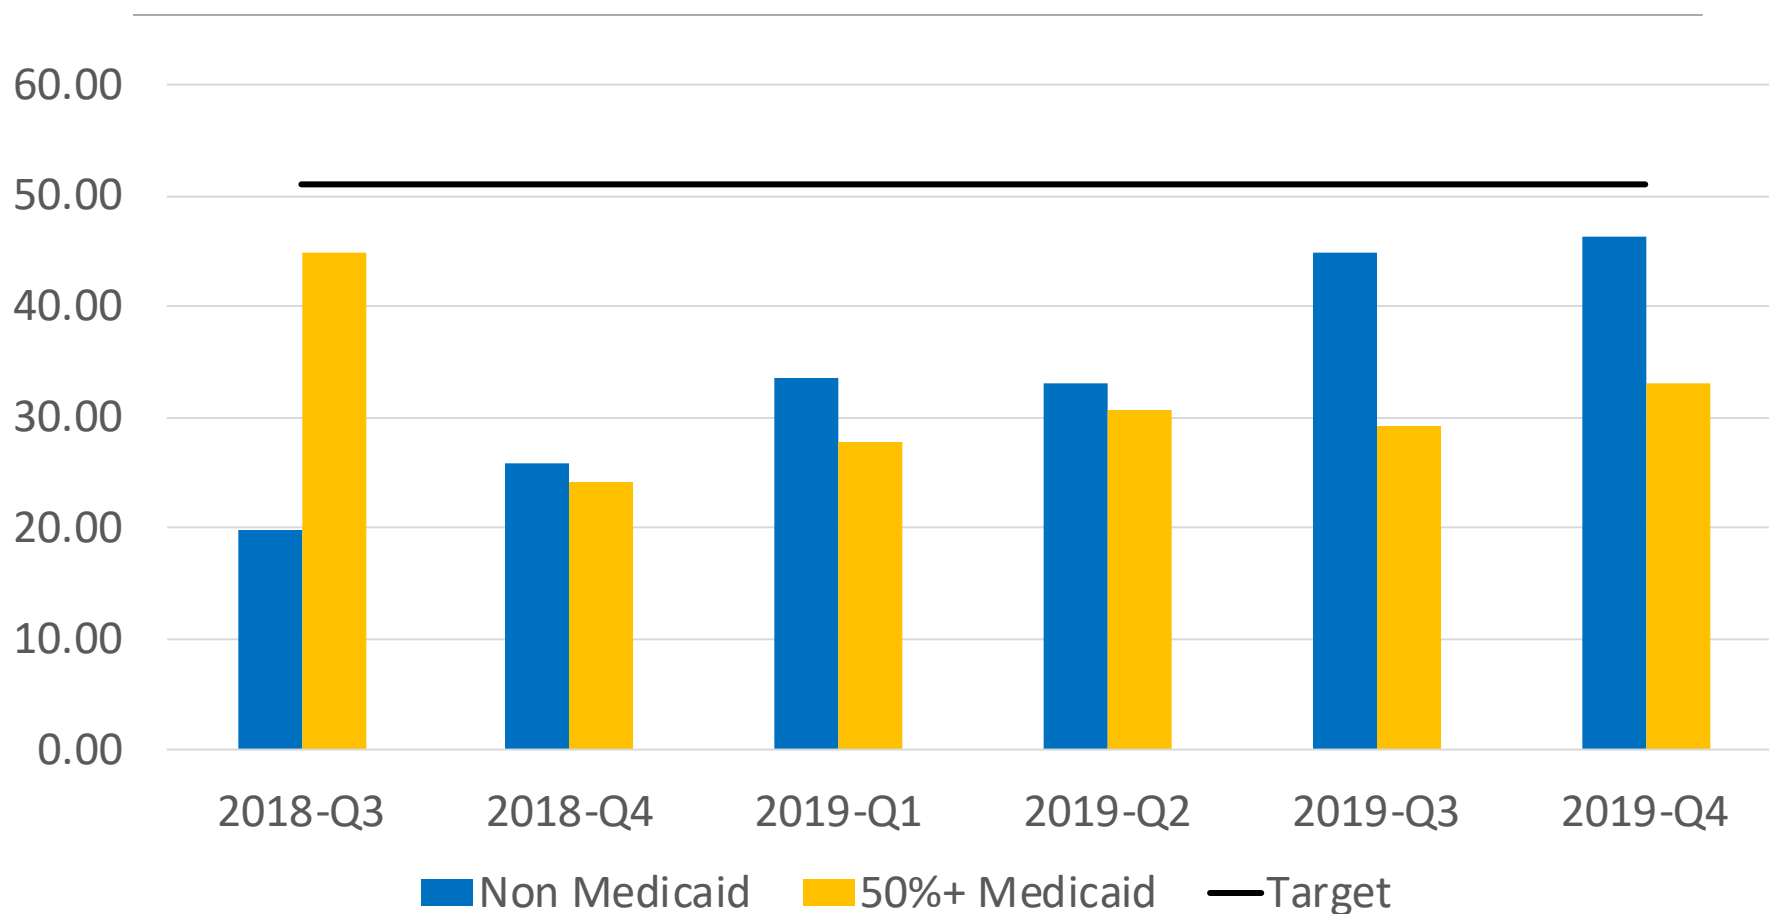

Eye Exam for Patients with Diabetes

Adult Cohort 5

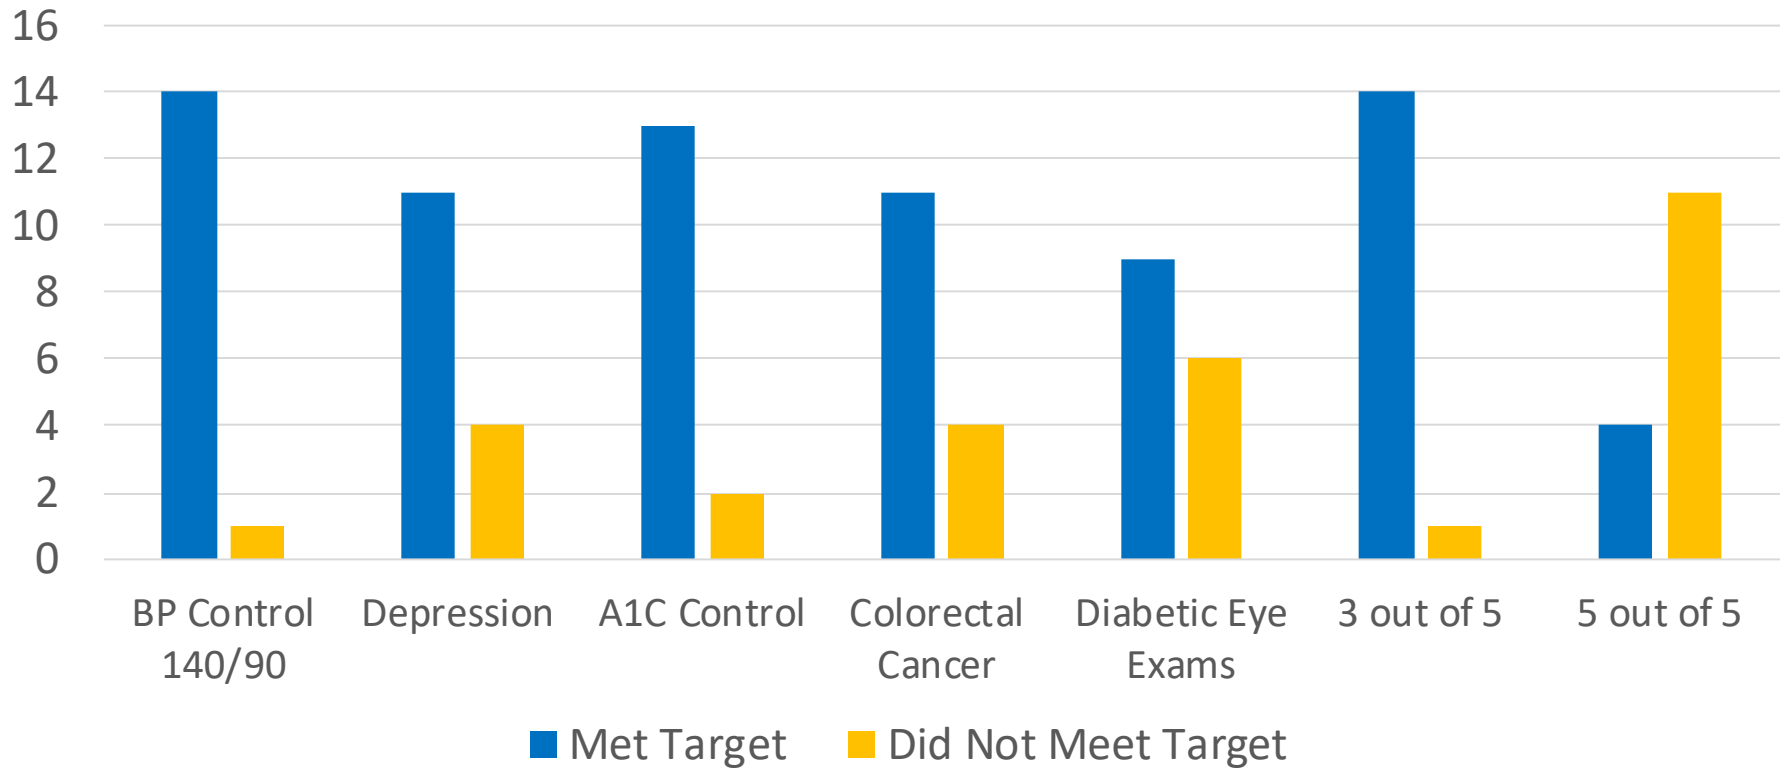

Eye Exam for Patients with Diabetes Medicaid vs Non-Medicaid

Adult Cohort 5 Practices Meeting Incentive

Clinical Quality Measures

PCMH Kids Performance Standards for Incentive Payment

PCMH Kids Cohort 2: Incentive Payment \$0.50

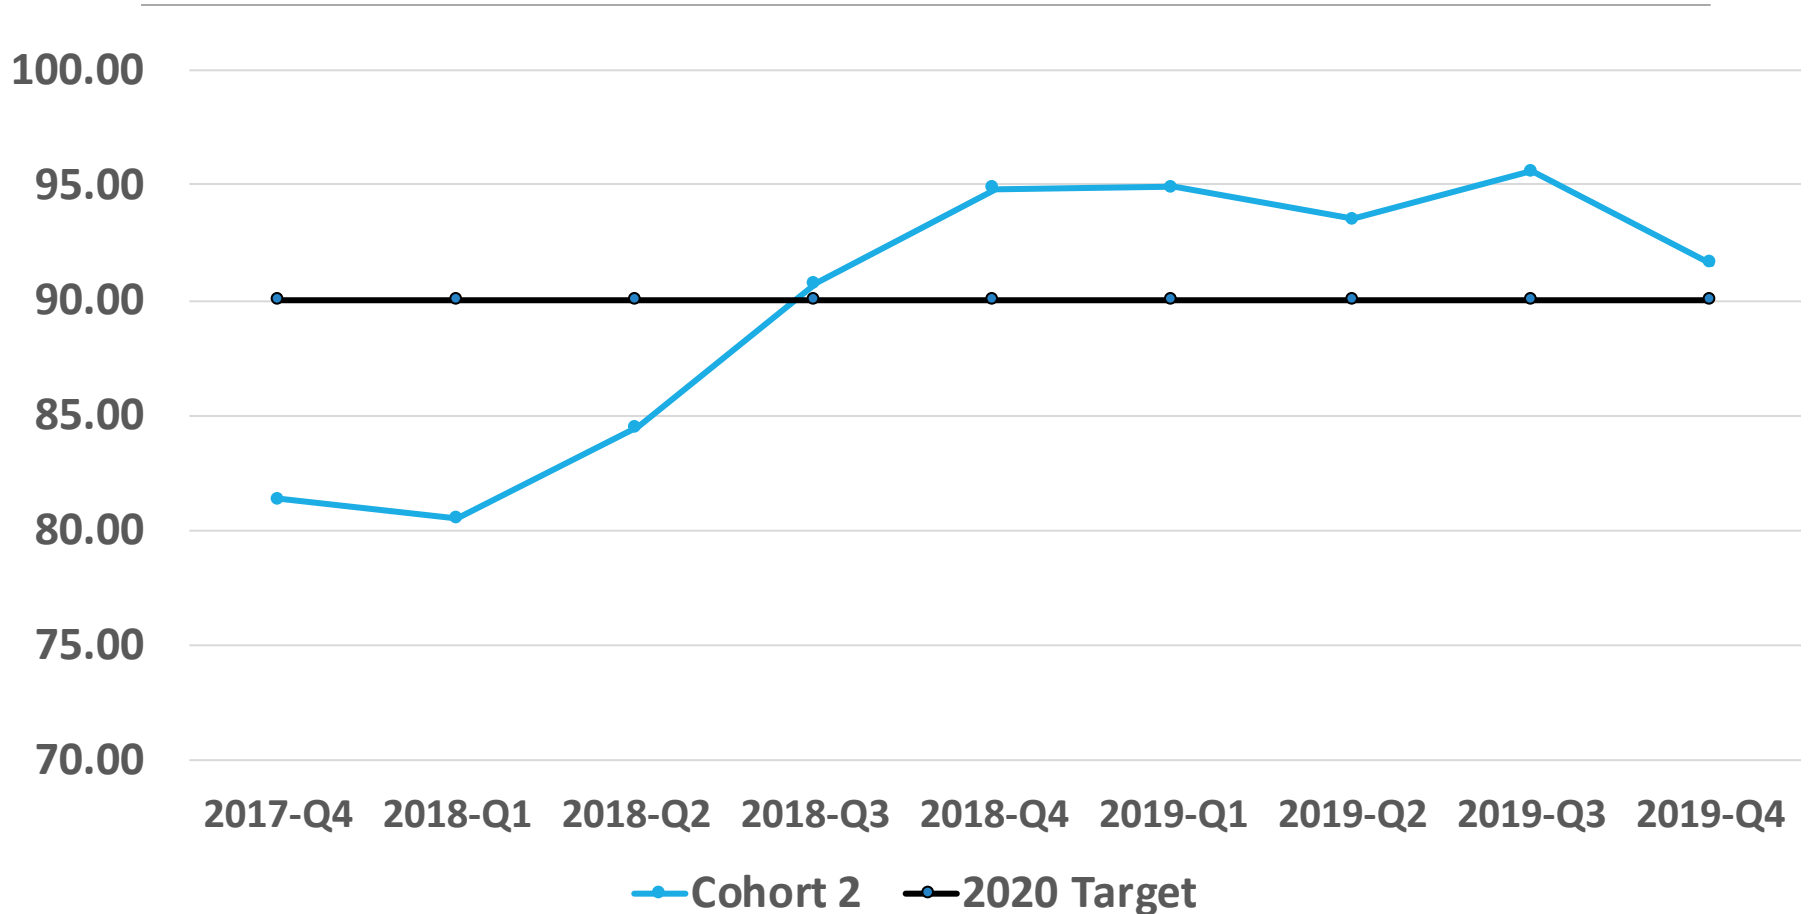

Meet 3 out of 4 performance measure thresholds

Clinical Quality: 2 can be clinical quality measures

Customer Experience: 1 can be CAHPS measure
(Defined as meeting 2 out of 3 of CAHPS measures)

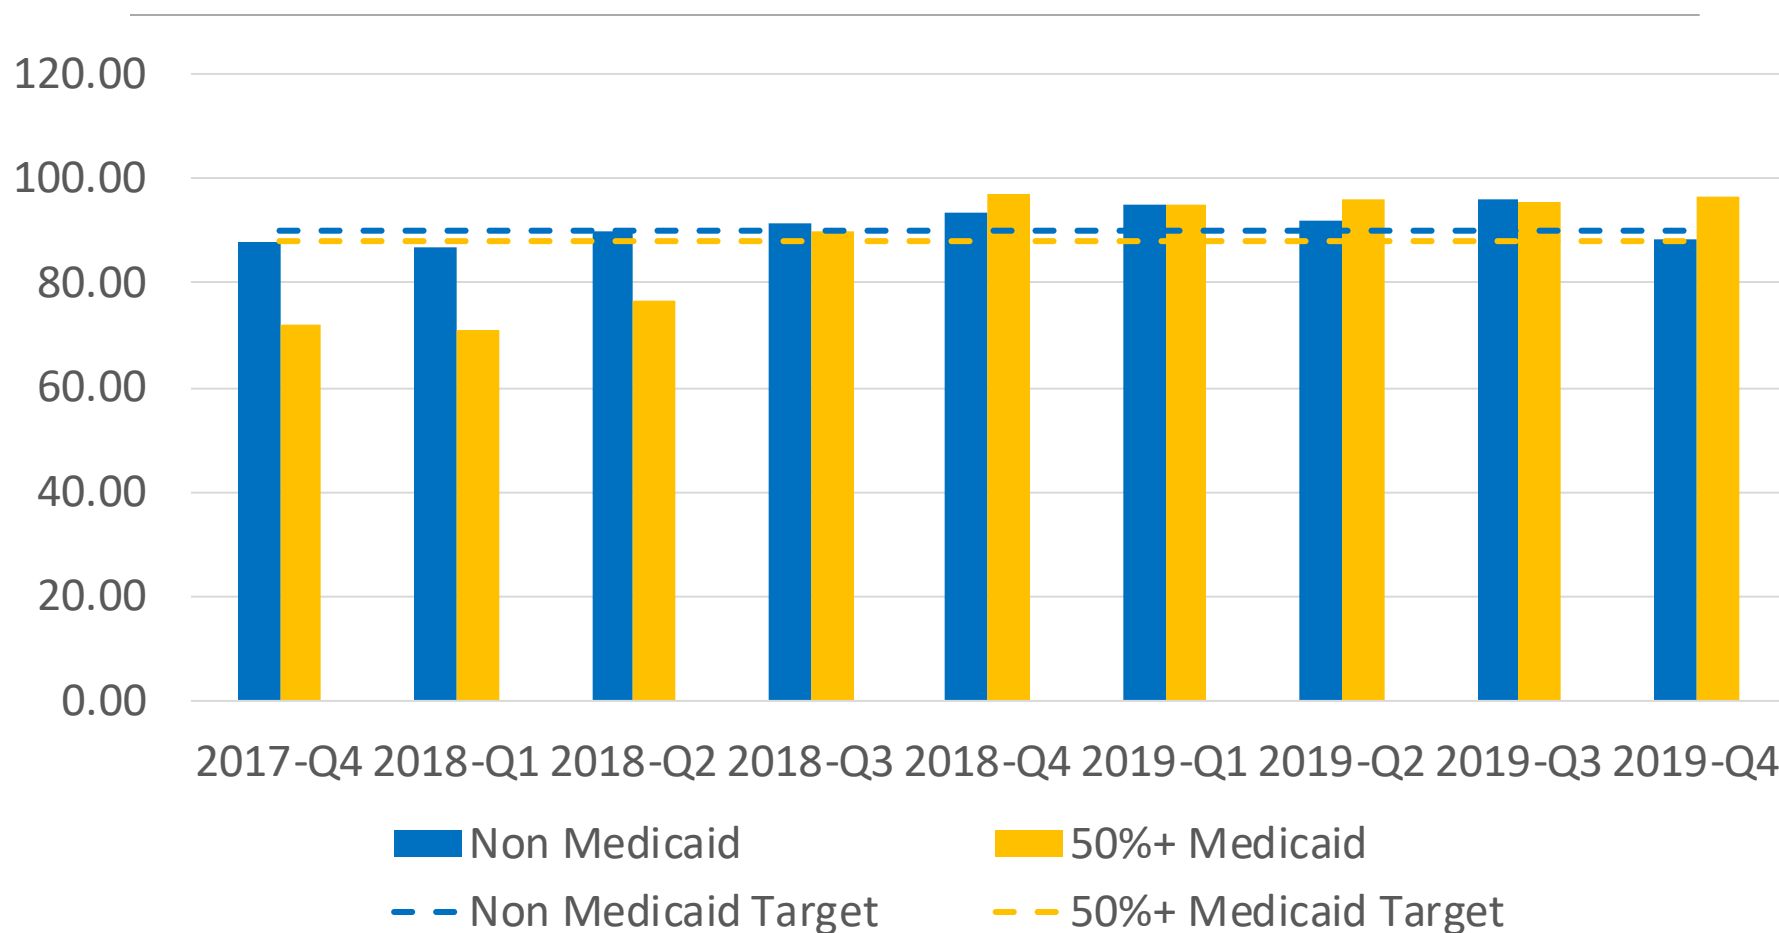

Utilization: 1 can be ED utilization (5% favorable difference via method of using rolling years to compare the change in trends of CTC practices to the comparison of non PCMH group)

PCMH Kids Cohort 2: BMI and Follow up

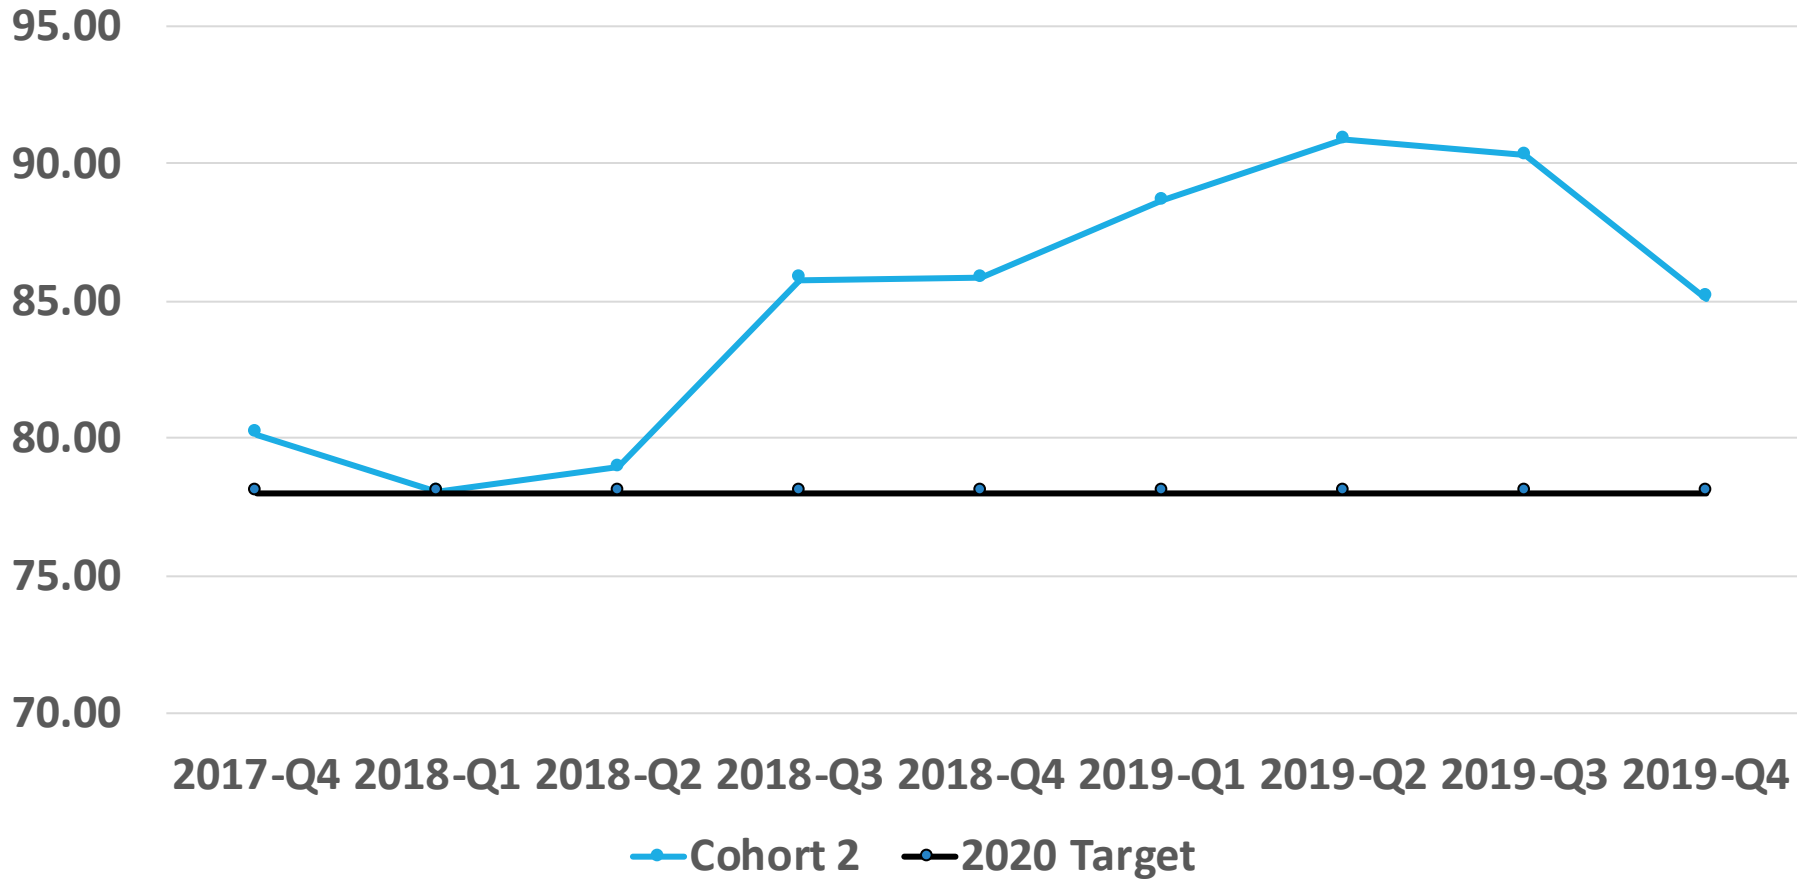

PCMH Kids Cohort 2: BMI and Follow up

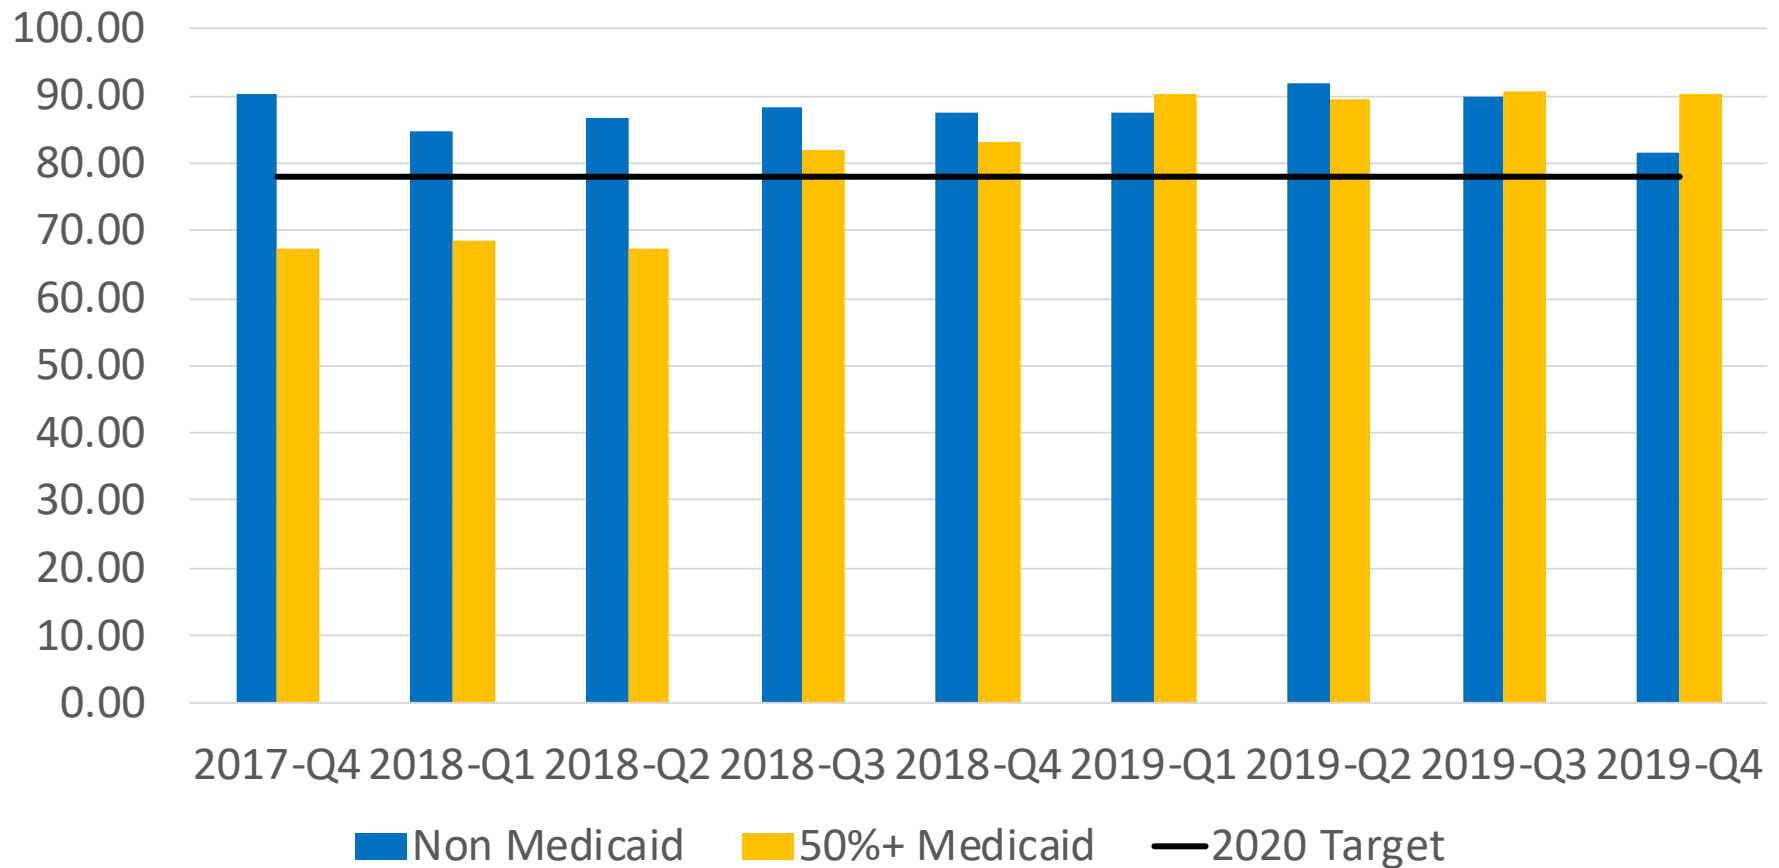

Medicaid vs Non Medicaid

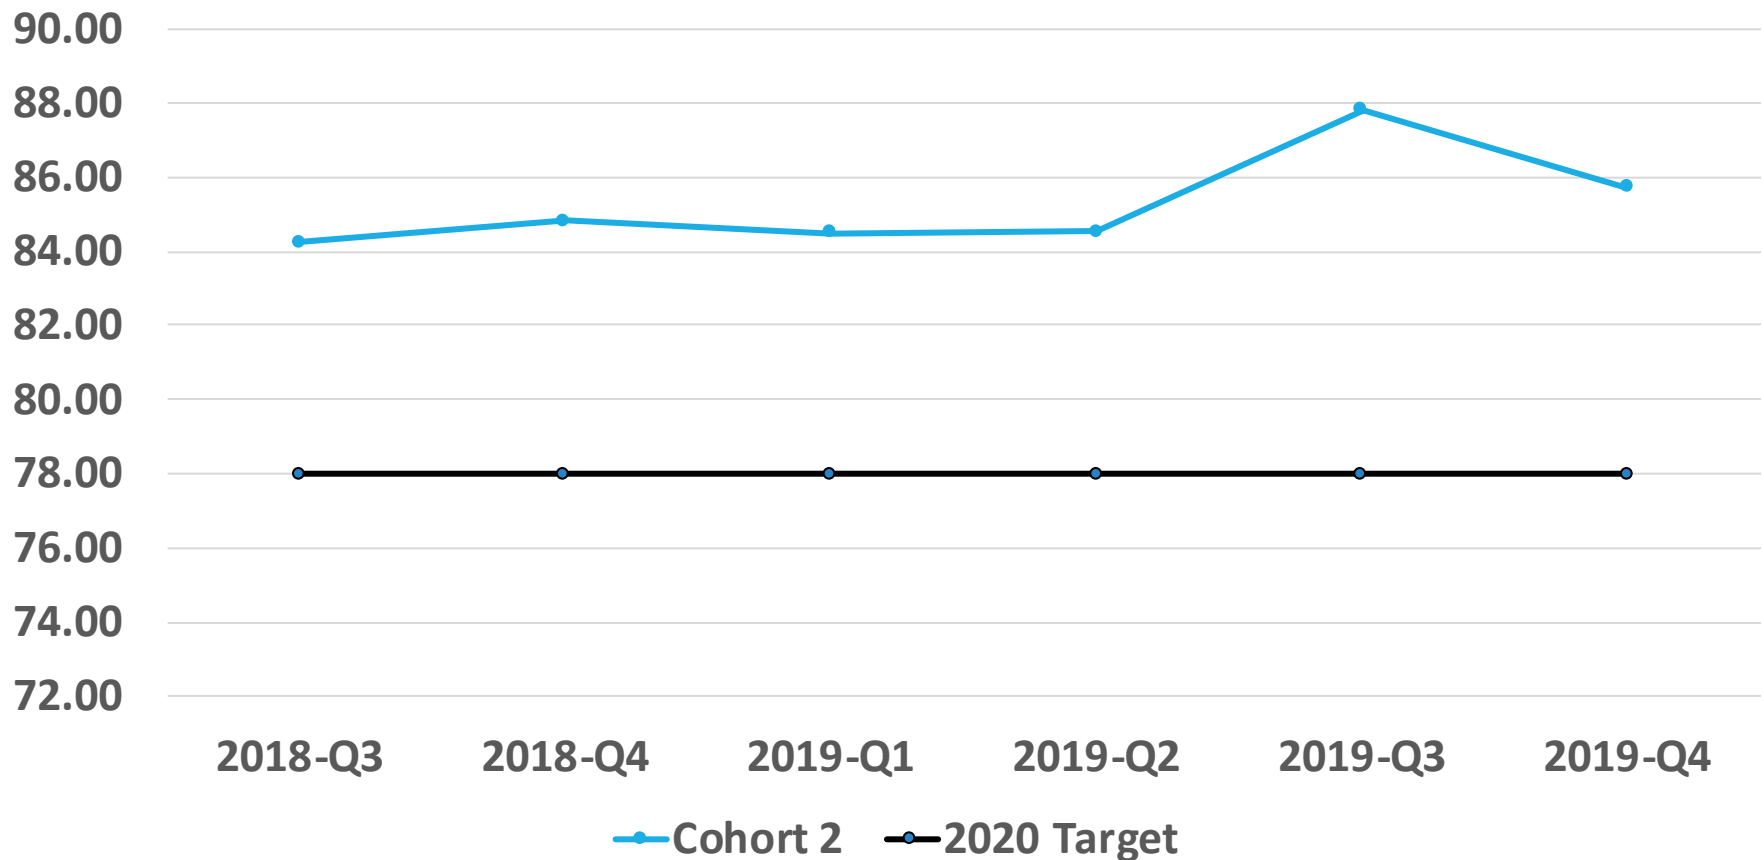

PCMH Kids Cohort 2: Developmental Screening

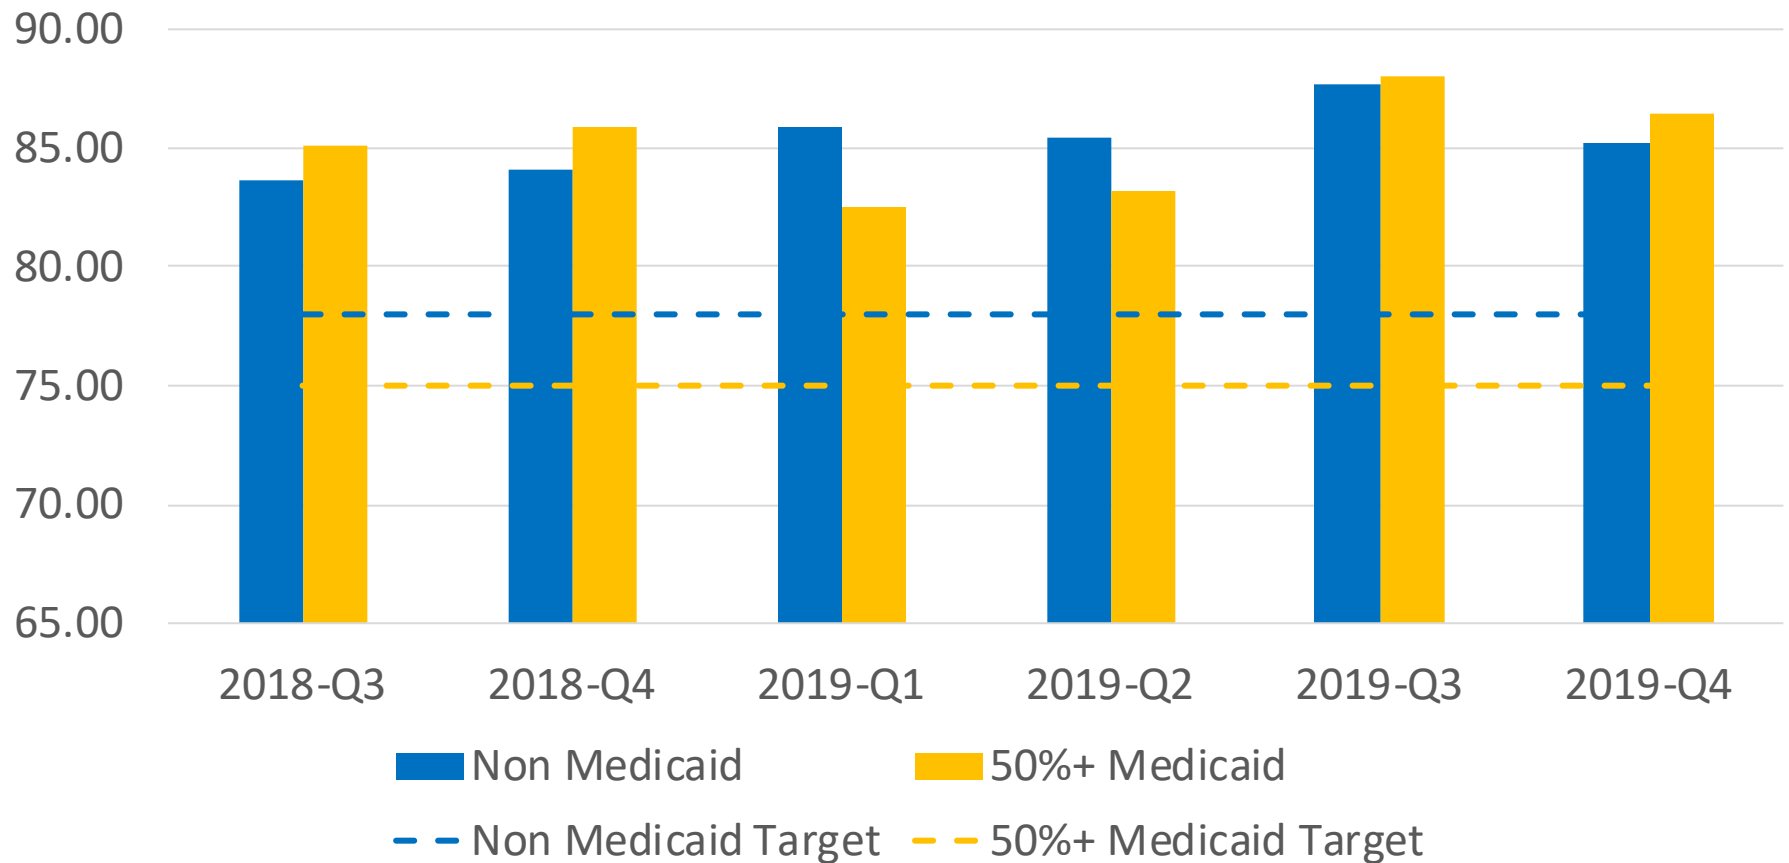

PCMH Kids Cohort 2: Developmental Screening Medicaid vs Non Medicaid

PCMH Kids Cohort 2: Well Child and Adolescents

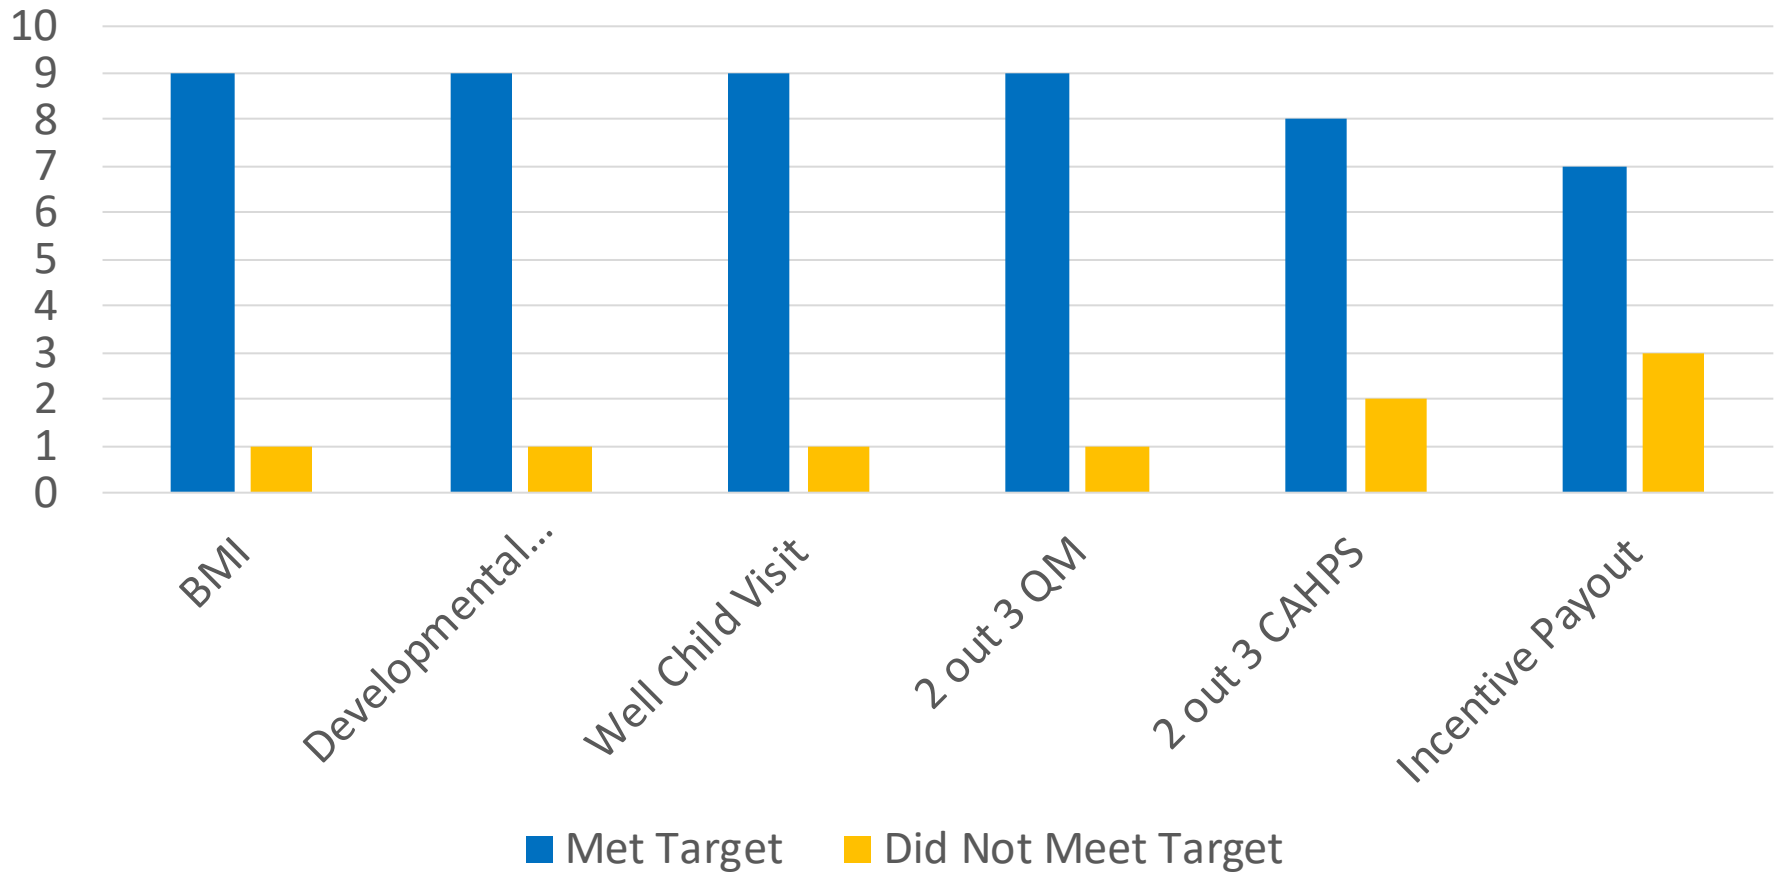

PCMH Kids Cohort 2: Well Child and Adolescents Medicaid vs Non Medicaid

PCMH Kids Cohort 2 Practices

Meeting Incentive
