

PERINATAL OBSESSIVE-COMPULSIVE DISORDER

JOIN US FOR FREE LUNCH AND LEARN DISCUSSION ON
PERINATAL OBSESSIVE-COMPULSIVE DISORDER (OCD),
LED BY MAGGIE ALLEN, Ph.D.

OCTOBER IS OCD AWARENESS MONTH

EDUCATE. UNDERSTAND. ADVOCATE.

PERINATAL OCD

TUESDAY, OCTOBER 13, 2026, 12:00 – 1:00PM

Maggie Allen, Ph.D. is the Clinical Director of Women's Behavioral Health at Women & Infants Hospital, which includes the Perinatal OCD & Anxiety Intensive Outpatient Program and the Day Hospital Partial Hospital Program. She is also a Clinical Assistant Professor in the Department of Psychiatry and Human Behavior at Brown University.

Dr. Allen received her Ph.D. in Clinical Psychology from the University of Denver and completed her postdoctoral fellowship in Women's Mental Health at Women & Infants Hospital and Alpert Medical School of Brown University.

Regarding her clinical work, Dr. Allen is a licensed clinical psychologist and clinical supervisor with expertise in the identification and treatment of perinatal mood and anxiety disorders, including the use of Exposure and Response Prevention to treat perinatal OCD.
