of Rhode Island

Please join us on the evening of Wednesday, November 30, when Blue Cross & Blue Shield of Rhode Island will host a screening of "Chasing the Dragon: The Life of an Opiate Addict," a documentary film aimed at educating people about the dangers of addiction. A discussion panel of local experts will immediately follow the film.

We are looking forward to providing this opportunity for our members, community stakeholders, and the general public to gain perspective on the opioid epidemic through the lens of those experiencing addiction first-hand. The event is free and open to the public. Pre registration is required.
