IN-PERSON**

WHAT CAN YOU DO TO REDUCE YOUR RISK OF DEVELOPING DEMENTIA?

Join us to learn about the results of U.S. POINTER, a clinical trial that evaluated the impact multiple lifestyle interventions have on improving cognition for at-risk older adults. U.S. POINTER is the largest clinical trial funded by the Alzheimer's Association to date, and one of the study sites is right here in Rhode Island.

JOIN US

Thursday, November 13
6 - 7:30 PM
DoubleTree by Hilton
Providence Airport Hotel
2081 Post Road | Warwick, RI
