

Complete Member Survey Today! Chance at \$75 Gift Cards!

Hello RI CHW Community!

In order to advocate effectively for the CHW workforce, CHWARI needs better data about who our members are. Could you spare three minutes to update your information with us? **Your response before March 20th enters you to win a \$75 gift card.**

There is one survey for CHW members and a separate survey for those who are not CHWs (Allies, employers etc). **Please pick ONE.** If you receive the newsletter at multiple addresses, please complete the survey under the address you consider to be the most permanent.

Legislators and decision makers have asked for more data about who RI CHWs are, where they work, and the populations they serve. Let's get them that information!
