

# CHW SUSTAINABILITY SYMPOSIUM

February 5, 2021  
9:00am-12:30pm ET

You are invited to learn results of a statewide assessment of CHWs, CHW Supervisors, and CHW Employers from the Rhode Island Department of Health, RIC Institute for Education in Healthcare, and the Community Health Worker Association of RI. Also, participate in a virtual discussion about sustaining CHWs' work over the long-term. **Come hear from national CHW-financing expert Carl Rush** and strategize potential payment models for the particulars of our state.

## Target audience includes:

- Community Health Workers
- Community-Based Organizations
- Accountable Entities
- Health Equity Zones
- Community Health Teams
- Federally Qualified Health Centers
- Child/Family Services
- Public Housing
- Long Term Services and Supports
- Government Policymakers
- Insurers
- Professional Associations
- Anyone connected with employing CHWs!
