Dear Members of The Episcopal Church Congregation,

On behalf of everyone at Bound for Glory Camp, thank you for your extraordinarily generous \$50,000 donation toward the construction of our culinary center. We are overwhelmed with gratitude by your kindness, faithfulness, and belief in our mission.

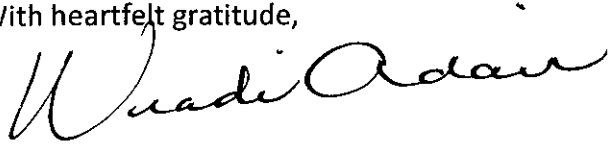

From the very beginning, you have walked alongside us with unwavering love and support. Through volunteers, the use of your church facilities, grants, and private donations, you have continually invested in the children we serve. We simply cannot thank you enough for partnering with us in such magnanimous ways. We are also deeply grateful that you chose Bound for Glory Camp as a recipient of your Cornerstone Centennial Celebration. It is such an honor to be included in this meaningful milestone in the life of your church.

Your gift will serve as the seed money for our culinary center, a space that will provide not only a beautiful and functional kitchen and dining hall for our campers, but also an opportunity to teach our campers how to prepare nutritious and interesting meals. Who knows—we may even inspire a chef or two! The possibilities are endless, and your generosity is helping create experiences that will shape lives for years to come.

Most importantly, you are helping instill love, hope, and encouragement into the hearts of the children of Bound for Glory Camp. Your compassion reflects Christ so beautifully. Our faith has been strengthened through witnessing God's work through each of you and through your steadfast commitment to serving others.

Thank you for believing in our campers and in the work God is doing through Bound for Glory Camp. We are deeply grateful and look forward to celebrating the completion of the culinary center with you.

With heartfelt gratitude,
