E-Giving: Important Notes

Even if you are already set up on e-giving for your 2024 commitment, you must reset it for 2025, and turn in a pledge card.

To set up e-giving, visit <https://www.stphilipsbrevardnc.org/give/>. If you need help setting this up, please visit the parish office and someone will be able to assist you.

There are two options you can use: You can have your commitment payments deducted from your bank account, or you may use a credit card. If you do, we request that you assist in covering the fees associated with credit card transactions.

Thank you for using electronic giving for your support of St. Philip's!
