

VOLUNTEER at The Shop of St. Philip's

219 S. Caldwell St., Brevard NC

Our Shop is run entirely by volunteers and we need you!

Imagine working at the front desk of the shop - greeting customers and sharing their joy at finding "just the thing they were looking for." Working in teams of two, we're open to customers Wednesday, Thursday, Friday and Saturday 10-4. Front-desk volunteers work in 3-hour shifts.

If you enjoy quilting, knitting, clothing, shoes, crafts, jewelry, gardening, or collectibles, we'd love your help! Pricing volunteers evaluate and price donated items on weekdays, both mornings and afternoons. It's a fun, rewarding way to give back to the community. Several departments have openings and would welcome your interest!

Our volunteers include both members of St. Philip's and friends from the wider community -- a lively, friendly group who support one another. Our volunteers don't just give their time and talents—they share a genuine heart for the work we do and the organizations our funds support. (In 2027 we will fund outreach grants totaling over \$218,000!)

Please join us! Contact co-managers Pam Pallas (352-359-1951, pallasp@bellsouth.net) or Jo Buescher (239-292-2419, jobuescher@gmail.com) to arrange a tour and a chat!

We can't wait to see you!
