

ALLIANCE OF BEVERAGE LICENSEES

FOR A RESPONSIBLE LIQUOR INDUSTRY

Dear Members and Industry Professionals,

The **NEW 2019 North American ID Checking Guide Book** and **NEW 13th Edition International ID Checking Guide Book** are now available for ordering through the ABLE BC office. Both guide books have been updated since 2018.

The ID Checking Guide Books help you and your staff make accurate, on-the-spot verification of driver's licenses and ID cards – your best protection against ID fraud. These books also help ensure you are kept updated on the *latest* versions of *all* ID formats.

Frequently Asked Questions:

Q: Have there been any changes to the USA/Canada Edition since 2018?

A: Yes, the **2019 North American Guide has dozens of changes**, including new licenses and ID cards, old license formats dropped, new federal ID documents, updated terms of license and other specific license details, UV images for 44 current format driver's licenses are shown, and updated information is provided for licenses issued to non-US citizens. All 50 states, 10 provinces, and 3 territories, are covered. Included are details on territorial documents, federal and military insurance, consular cards, and more.

Q: Have there been any changes to the International Edition since 2018?

Yes, the new 13th International Edition is now available and is good until December 31, 2020. Dozens of new documents have been added to the 13th Edition and older outdated license formats removed.

Q: Why do I need a North American Edition *and* an International Edition?

A: The North American and International ID Checking Guide Books are *two separate* books. ID coverage no longer stops at the border. The International Edition includes 600 Driver's Licenses and ID cards for 175 countries (360 pages). The International Edition allows you and your staff to pinpoint the *exact location* of birth date, expiration date, and issue date – even if you can't read the language.
