

NOTICE TO CUSTOMERS

The health and safety of our customers and employees is our highest priority.

We are following the guidance of government and health authorities. Some of the actions we are taking include:

- Limiting the number of customers within the store to allow for social distancing (the maintaining of a physical buffer of minimum 1 metre to slow the spread of illness)
- Customers lining up for service are asked to respect one another's personal space and practice social distancing
- Implementing more frequent processes for the cleaning and disinfecting of common and customer facing areas and equipment
- Ensuring consistent and proper hand-washing by all of our employees
- Reducing the number of gatherings, and cancelling training and meetings for our team members
- All tastings and special events have been cancelled until further notice.
- If you are feeling unwell, we kindly ask that you do not enter the store.
- If you recently travelled outside of the country, we kindly ask that you postpone your visit to our store for 14 days.

Thank you for your understanding as we continue to navigate these evolving circumstances.
