

VIRTUAL BIKE RIDE CAMPAIGN

Participate in the Virtual Bike Ride Campaign!

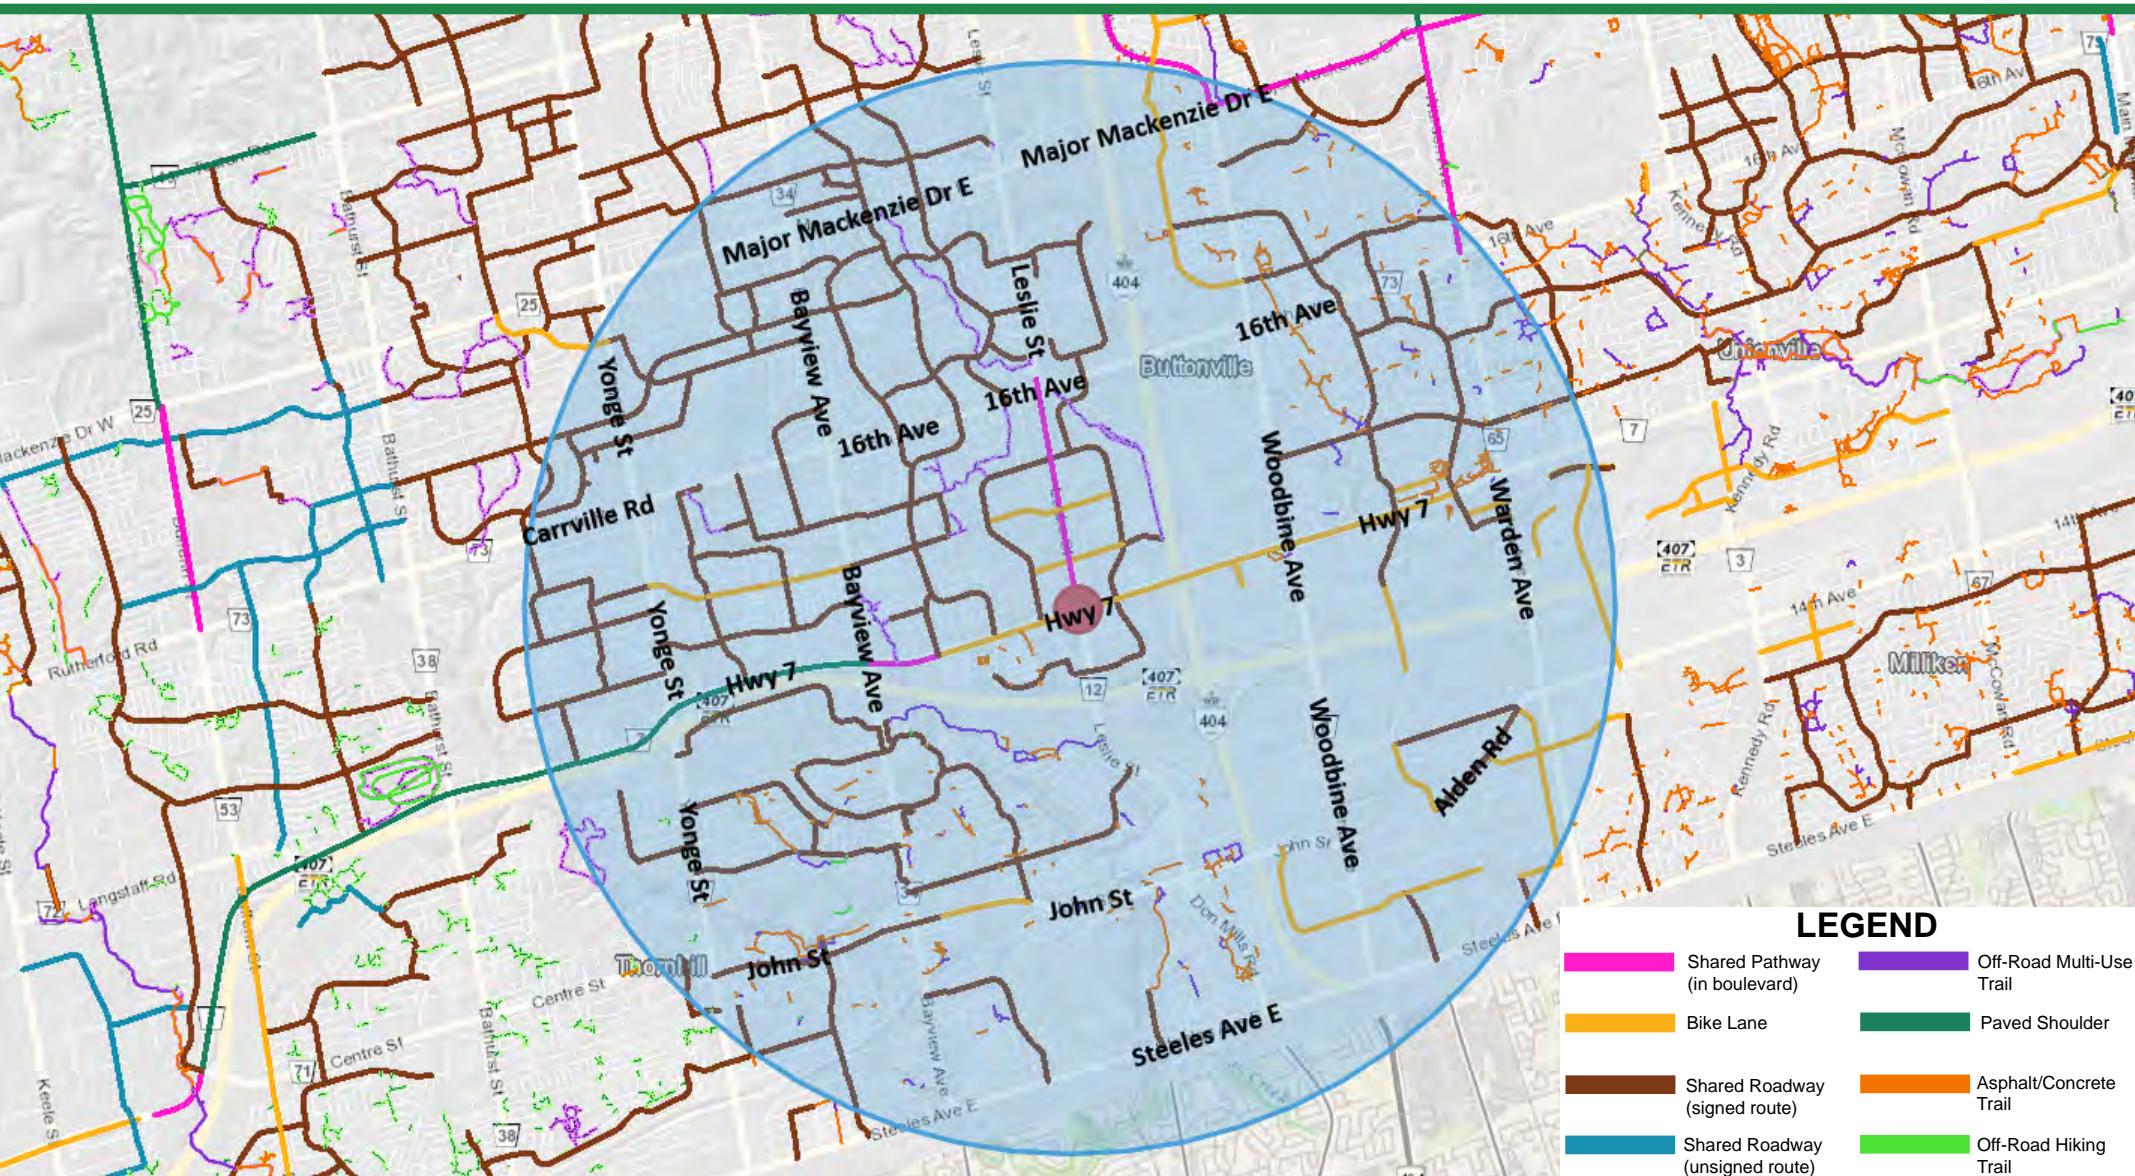

From **June 1 to 15**, Smart Commute MRH encourages you to cycle as much as you can - whether you are commuting to an essential job, riding to the grocery store, or exploring a new trail in your community. This is a great opportunity to do a trial ride to your workplace during off-peak hours, if you've ever considered cycling to work!

Share photos or tips about your ride for a chance to win a **\$20 e-gift card**! Enter the draw by doing any of the following:

- Posting your photos on social media and tagging @smartcommutemrh
- Emailing your photos and stories to info@smartcommutemrh.ca
- Submitting your cycling story to our [Sustainable Superstar form](#) to be featured on our blog

Please visit www.smartcommutemrh.ca for campaign details and links to our cycling webinar series.

Click anywhere within the blue 5 km radius to view an interactive cycling map from York Region.

NEARBY CYCLING INFRASTRUCTURE
