

# 2021-2022 WINTER SHELTER PROGRAM

Operating Dates: November 1, 2021 - March 2022

LAST UPDATED NOVEMBER 01, 2021

## ARE YOU IN NEED OF SHELTER?

The Winter Shelter Program is held annually to protect people experiencing homelessness during Los Angeles's colder months. Winter Shelters are located all across the County, and will be operating 24 hours a day this year due to COVID-19.

## AM I ELIGIBLE FOR THE WINTER SHELTER PROGRAM?

To have access to the winter shelter program, you must be:

- At least 18 years old or older
- Experiencing homelessness

## WHAT TO EXPECT AT A WINTER SHELTER SITE?

- Shelters will follow new "Safer at Home" guidelines to keep everyone healthy and safe indoors. This includes daily temperature checks and staff conducting a COVID19 screening questionnaire.
- Shelters welcome pets and emotional support animals.
- Shelters serve 3 meals a day.

For any inquiries, please email us at [wintershelter@lahsa.org](mailto:wintershelter@lahsa.org)

## ACCESSING A WINTER SHELTER

### 1 FIND A SHELTER

On page 2 is a list of shelter locations and their addresses. Pick one that is close to you.

### 2 CALL TO CHECK AVAILABILITY

All shelters require you to call first before coming. There are a limited amount of beds at each site.

### 3 PACK YOUR BAGS

All shelters have a **two (2) bag restriction**. Anything more will not be allowed into the site.

### 4 FIND TRANSPORT

Transport is limited - refer to page 2 for sites that offer transportation.

For more information, please call the Winter Shelter Hotline 1 (800) 548-6047 or visit [LAHSA.ORG/WINTER-SHELTER](http://LAHSA.ORG/WINTER-SHELTER)

# WEATHER-ACTIVATED SHELTER PROGRAM

LAST UPDATED NOVEMBER 01, 2021

## WHAT IS THE WEATHER-ACTIVATED SHELTER PROGRAM?

The Weather-Activated Shelter Program is a short-term weather activated emergency response to provide individuals experiencing homelessness a safe and supportive short-term shelter during severe inclement weather. This program operates to protect individuals from the rain and cold weather to avoid conditions such as hypothermia, pneumonia and other conditions caused by cold temperatures. **Sites may activate if one or two of the following conditions are met:**

- Two consecutive days where daytime temperature highs are below 50 degrees
- Nighttime lows are below 40 degrees
- One or more consecutive days of heavy rainfall
