WORKSHOP DESCRIPTION: The Best of Yupo !!! Use watercolor/fluid acrylics AND watercolors. Learn the fascinating Tape Batik method. All levels welcome.

If you love texture and gorgeous color, this workshop is for you. We will explore many diverse methods to achieve great results on this slippery, synthetic 'paper,' and you'll see why Sandy says painting on YUPO is a blast. Each day will include well-organized demos of various techniques, followed by studio time and lots of individualized attention including informative critiques.

Sandy's own "Tape Batik" technique using *fluid acrylics* and watercolor on YUPO will begin the workshop. Subject matter can be whatever you want to paint--there's just no limit to what can be created on YUPO. Both transparent watercolor and fluid acrylics will be used. If you've 'battled' YUPO before, give it another try. You'll be very glad you did. Whether you're a beginner or master, this YUPO experience will be a fascinating, creative challenge to enrich your artistic journey. Materials list will be provided in separate document.
