

Drink too much? Drink too often? Is alcohol taking over your life?  
Get back in control with a Research Study that provides up to 4 weeks  
**INPATIENT ALCOHOL TREATMENT** at No Charge

If you are 18-55 years old, medically stable, and currently drinking regularly, you may be eligible to participate in a research study that looks at the needs of the brain of people who drink alcohol. The study involves brain imaging scans (like an MRI).  
You can earn up to \$850 for completion of the study.

To find out if you qualify, please contact us by:  
phone/text (475) 375-6141 or E-mail: [TreatmentStudy@yale.edu](mailto:TreatmentStudy@yale.edu)
