

March 2021

Dear Supporter,

During our fifth year, TriCircle, Inc. has surpassed many milestones. We have reached a pivotal point in our evolution as an organization because of you! We have succeeded in both changing the conversation about substance use disorders, and in providing much needed services to individuals and families affected by the disease of addiction.

The generous donations and countless volunteer hours given by our supporters are greatly appreciated and you have helped us evolve into a substantial force for good. At breakneck speed, we have strengthened our brand, recruited more talented professionals, engaged many new connections, collaborated with strong partners, held multiple community engagement events, and hosted webinar trainings. One of our greatest resources is the strong and dedicated support we receive from our principled, focused, and evolving board of directors. In addition to this collection of assets, we have grown our reach and influence in CT by establishing clinical services, opening a resource center, and hosting 7 Hope & Support Groups and 4 Hope After Loss Groups in 5 towns, now available to 169 towns with Zoom as our new option. These meetings are all staffed by qualified professionals who are committed to our cause at no cost to the attendees.

Members of TriCircle, Inc. have worked diligently to deliver new cutting-edge services which meet the needs of our communities and state. With your unwavering support, we have been able to achieve all of this! With your further assistance, we will continue our work into the coming year and beyond.

Together WE are Stronger and, as we fully engage our communities in this conversation, we will strengthen our presence and clearly demonstrate what our mission and vision brings to the table. We are dedicated to creating real, long term solutions for individuals and families affected by substance use disorders and the disease of addiction and we will not stop until we reach full implementation.

2020 was an incredibly challenging and unprecedented year, but thanks to your support we have surpassed last year's expectations. With your donation to TriCircle, Inc. in 2021, we will provide more of the tools needed to build strong futures. We have come this far with your help, and we depend on you to keep our momentum moving forward.

On the back of this letter, you will find several ways that you can help us grow.

Yours Truly,

Ana M. Gopoian
