

ETFO Professional Relations Services:

# An Ounce of Prevention

Provincial Conference

**May 27 and 28, 2022**

**ETFO Provincial Office, 136 Isabella Street, Toronto**

This conference focusses on the old proverb “an ounce of prevention is worth a pound of cure”.

We all agree that it is better to avoid problems in the first place rather than repair the damage after the fact. Workshops, a keynote speaker and a plenary session educate members about their professional rights and responsibilities. If you are interested in learning how to navigate some of the common pitfalls of working in the education sector, this might be the conference for you!

Registration deadline is **April 22**

To register, please visit [events.etfo.org](https://events.etfo.org)

Masks are not mandatory at the time of publication but are encouraged to protect the health of those who are medically vulnerable.

There is a \$50.00 registration fee and participation is limited to 44 members. Selected participants will be notified shortly after the registration deadline to confirm their attendance. ETFO covers associated costs based upon provincial guidelines.

For more information, contact: Tania Kerr at [tkerr@etfo.org](mailto:tkerr@etfo.org)
