WOMEN IN POLITICS

Wednesday, March 23
(evening) and

Thursday, March 24
(9:00 a.m. – 3:00 p.m. EST)

Location:
ETFO Provincial Office

ETFO is looking for a diverse group of self-identified women members who are interested in learning more about political campaigns, electoral politics and how to hone their voice to advocate and create political change.

The session includes one evening and one full day. During this program, participants will:

- be motivated and inspired by current and former women politicians, trustees, and candidates;
- build and strengthen skills to use and exercise their political voice in lobbying for change;
- deepen their understanding of power, anti-oppression and politics; and
- develop tools to foster women's leadership in ETFO and the community.

The selection of participants will prioritize women from equity-seeking groups, ensure representation of DECEs and OTs, and those involved in a union or community campaign or lobbying effort. Please note that there is a \$50 registration fee.

Deadline to register is **Wednesday, February 23, 2022**.
