Join ValleyCAST for a Hope Day celebration featuring live music by **The Blackstone Valley Quartet**, story telling, poetry, wellness offerings, art making, and a chance to admire our yellow tulip **Hope Garden** in full bloom. This uplifting Hope Day Celebration brings us together to celebrate hope, smash the stigma surrounding mental illness, and bring suicide prevention, mental health awareness, and resources for recovery to the community in anticipation of **May is Mental Health Awareness Month**.

The Yellow Tulip Project is a Maine based, youth driven, non-profit that is fiercely dedicated to suicide prevention, mental health stigma reduction, community building, and helping people know that there is help and hope out there ... one tulip at a time.

***The inclusive and hopefilled event is free and the public is encouraged to join the celebration!***

*A ValleyCAST & Open Sky Community Services collaboration with the following local agencies and businesses who will be sharing information and celebrating Hope Day in the Plaza with us:  
The Yellow Tulip Project, the Whitin Community Center, NOWA Peer Recovery Support Center, Family Continuity, Girls on the Run, Blackstone River Valley National Heritage Corridor, and Stay Awhile Coffee*
