

FURNITURE A.R.T. RECOVERY PROGRAM

ADAPTIVE RECOVERY TEACHING
12 WEEK WORKSHOP SERIES

Feb. 7—April 27

In this 12-week workshop series, participants will attend two classes per week. Each session will include a 1 hour recovery/wellness focused meeting and a 1 hour furniture workshop. Using evidence based customized curriculum, individuals will learn how to restore vintage furniture with a focus on restoration of self.

Furniture Workshop

- ♦ Repair ♦ Refinishing ♦ Painting ♦ Hardware ♦ Design
- ♦ Repurpose ♦ Decoupage ♦ Transfers ♦ Stencils
- ♦ Decorative Wax ♦ Finish Techniques

Adaptive • Recovery • Teaching

Adaptive curriculum focused on *Recovery* customized to individual needs *Teaching* using the 3 main learning styles, audio, visual and tactile allowing for maximum retention.

Participants will receive a certificate of completion as well as the option to keep their furniture piece. Our Spring workshop session meets Tuesdays and Thursdays from 3-5pm at 60 Douglas Rd Whitinsville. If you or someone you know may benefit from this series, or for more information contact:
