

Hello MAC Family!

It is my privilege to attend community events, and at every single one, The MAC is THE hot topic! People are so excited, and they always ask, "Who will be part of The MAC?"

My name is Sharon Newhardt, and I am the Programs and Outreach Coordinator for Morgan's Inclusion Initiative. Together with Brooke Kearney, our Chief Mission Officer, we want to invite you all to an exciting opportunity to engage with the Morgan's Wonderland community.

Our Snowball 5K/1K will be the perfect event for you and your teams to introduce your organizations and services to the Morgan's Wonderland family. This year we are expanding our Vendor Fair, and I want to highlight the MAC family by dedicating a section of the fair to The MAC and all our MAC Partners.

You can engage with our Snowball Participants and their friends and families in a relaxed, fun, and festive holiday-themed

atmosphere. Let them know who you are and how your organization can serve them and enjoy our fair in the covered facility at beautiful Morgan's Wonderland Sports! In addition to Vendor Tables, we have sponsorship opportunities available should you be interested in reaching a wider audience. We are looking forward with great anticipation to the MAC opening in 2022 and are so pleased you will be an integral part of this groundbreaking endeavor. Learn more about the event HERE! <https://morganswonderland.com/snowball/>

Please feel free to reach out to me or to Brooke if you have any questions regarding the Snowball 5K/1K:
