

Job Shadow Program

Program Description

The King's Job Shadow Program matches students with employer partners in the City of London and provides an opportunity to shadow a professional in a role of interest for one day.

Program Partners

Students in the Job Shadow Program have been matched with a variety of employers including:

Get Involved!

The Job Shadow Program is open to all King's students regardless of program or year of study. Placements take place during Fall and Winter Reading Weeks to avoid any conflicts with class schedules.
